

See Bids On Bong Housing

An additional phase in the rapid building of Bong Air Force Base will begin soon with the construction of several buildings in a complex for officers and airmen.

Bids were opened Tuesday in Chicago on the project with apparent low bid being that of Five Boro Construction Co., New York City. Its estimate of \$3,447,367.90 was lowest of four others submitted. Other bidders included H. H. Mass Construction Co., of Algonquin; Edward Guay Construction Co. and Mayfair Constructors, both of Chicago.

THE CONTRACT will call for the completion of the work about Sept. 30, 1960.

The plans are for an airmen's dormitory, airmen's dining hall, officers' quarters, officers' dining hall and a service club and the contract will include all grading and drainage.

The enlisted men's dormitory and dining hall will be a composite structure comprising four dormitory wings attached to the dining hall which will be centrally located in a star effect. A feature of this building will be the use of porcelain enamel panels which will permit a wide selection of colors.

LARGEST OF THE buildings to be erected with this \$3½ million contract will be the dormitory complex which will be three stories high, of reinforced concrete and will have a total area of 100,000 square feet. Buildings housing the officers' quarters and the service club will be two stories in height and the other structures will all be of one story.

All of the buildings will have concrete foundations and floors, masonry walls of concrete block or brick, and built-up roofs on insulation over various decks.

Other buildings in the community area of the big base which is 14 miles north of Antioch will be offered for bid soon. They include a commissary, sales exchange, theatre, and non-commissioned officers' club. The army engineers district office in Chicago handles all bids.

See earlier story on the growth of Bong Air Force Base on page 10 of today's Antioch News.

Law May Snare Auto Owners for Failure To Show Vehicle Tags

The long arm of the law may reach out two ways to get forgetful auto owners in the Village of Antioch next week.

May 30 is the deadline for purchasing auto tax tags for \$5. After that date, the law provides that a \$2 penalty will be added.

And if that isn't enough to make owners purchase the stickers, police may begin ticketing for failure to display tags on windshields. This carries an additional penalty of court costs, says Clarence Shultis, village collector.

At present less than 500 owners have purchased the 1959 tags and there are an estimated 800 auto owners in the village, Shultis says.

Plans for Huge July 4th Are Nearing Completion

A four-point program, the largest ever presented in this area and the biggest this year in Lake and Kenosha counties, will mark the Fourth of July in Antioch.

That's no publicity-man's boast but the facts as outlined by the sponsoring Lions Club.

An estimated 20,000 persons are expected to be in the area for the events to see:

A HUGE PARADE at 3 p. m. which will be almost two miles in length;

Mary Kay, Antioch's representative to the world, reign over all festivities and ride the Lions Club float;

A motorcycle cavalcade with races directed by the Kenosha Motorcycle club; and

The largest display of fireworks ever seen in this area set off in a field south of town.

THE HUGE PROGRAM is in direct contrast to the complete lack of any kind of celebration here in 1958, Lions Club planners say.

The parade itself will be an extravaganza, says John Dupre, director of the Lions Club Holiday program. Some of the professional float builders in the country will be making entries for the event and an internationally known designer is making the Lions Club float on which Queen Mary Kay will ride.

A special set of guests for the parade will be Beulah, the Borden cow. She is the teen-age daughter of the famous Elsie and one of the twins named in a nation-wide \$100,000 contest sponsored by the Borden Co. Her brother Beauregard will not be here in the traveling Red Barn.

Beulah will arrive here from New York at 11 a. m.

THE BUILDUP to the fourth program has been the Mary Kay flagpole sitting stunt in which the young showgirl has been living in a platform tent above the town since June 3 and broadcasting daily from radio station WKRS in Waukegan. Her following is now about 91,000 daily listeners according to the station.

Channel Lake Carnival For 2 Weekend Days

By Mrs. Pearl Kapell
Channel Lake Correspondent

The entire Antioch community is invited to attend the Channel Lake Carnival which will be held on Lake St., Channel Lake on Saturday and Sunday.

The big two-day show is sponsored by the Community Club and will be held from noon to midnight both days of the weekend.

ALMOST ALL organizations in the Channel Lake area are participating. The girl scouts will have a bakery booth and fortune teller and the boy scouts will have games for children and run a freak show. Proceeds from the booths will go to help the scouting programs. Numerous booths and other games also will be set up.

A spaghetti dinner will be served on Saturday from 5 to 8 p. m. and Community Club officers have suggested the meal as a way to feed weekend guests.

Proceeds from the carnival will help support numerous projects sponsored by the Community Club and includes the hot lunch program at the Channel Lake School.

estimates.

A good number of them should be here for the biggest July Fourth celebration in the area. Any profits made at the festivities will go to the Antioch swimming pool fund.

Woman Hurt In Rt. 59 Crash In Serious Condition

Three of four young people who were injured in an auto crash south of Antioch Saturday morning were still in hospitals on Wednesday.

Most severely injured when the auto in which she was riding crashed into a culvert on Rt. 59 was Mrs. Delores Zipler, 34, of 131 N. Fairlawn, Round Lake. She was transferred in a semi-conscious condition from Victory Memorial Hospital to Lake County Hospital on Monday. Her physician described her condition as serious on Wednesday. She has severe head injuries besides plenty of cuts and bruises.

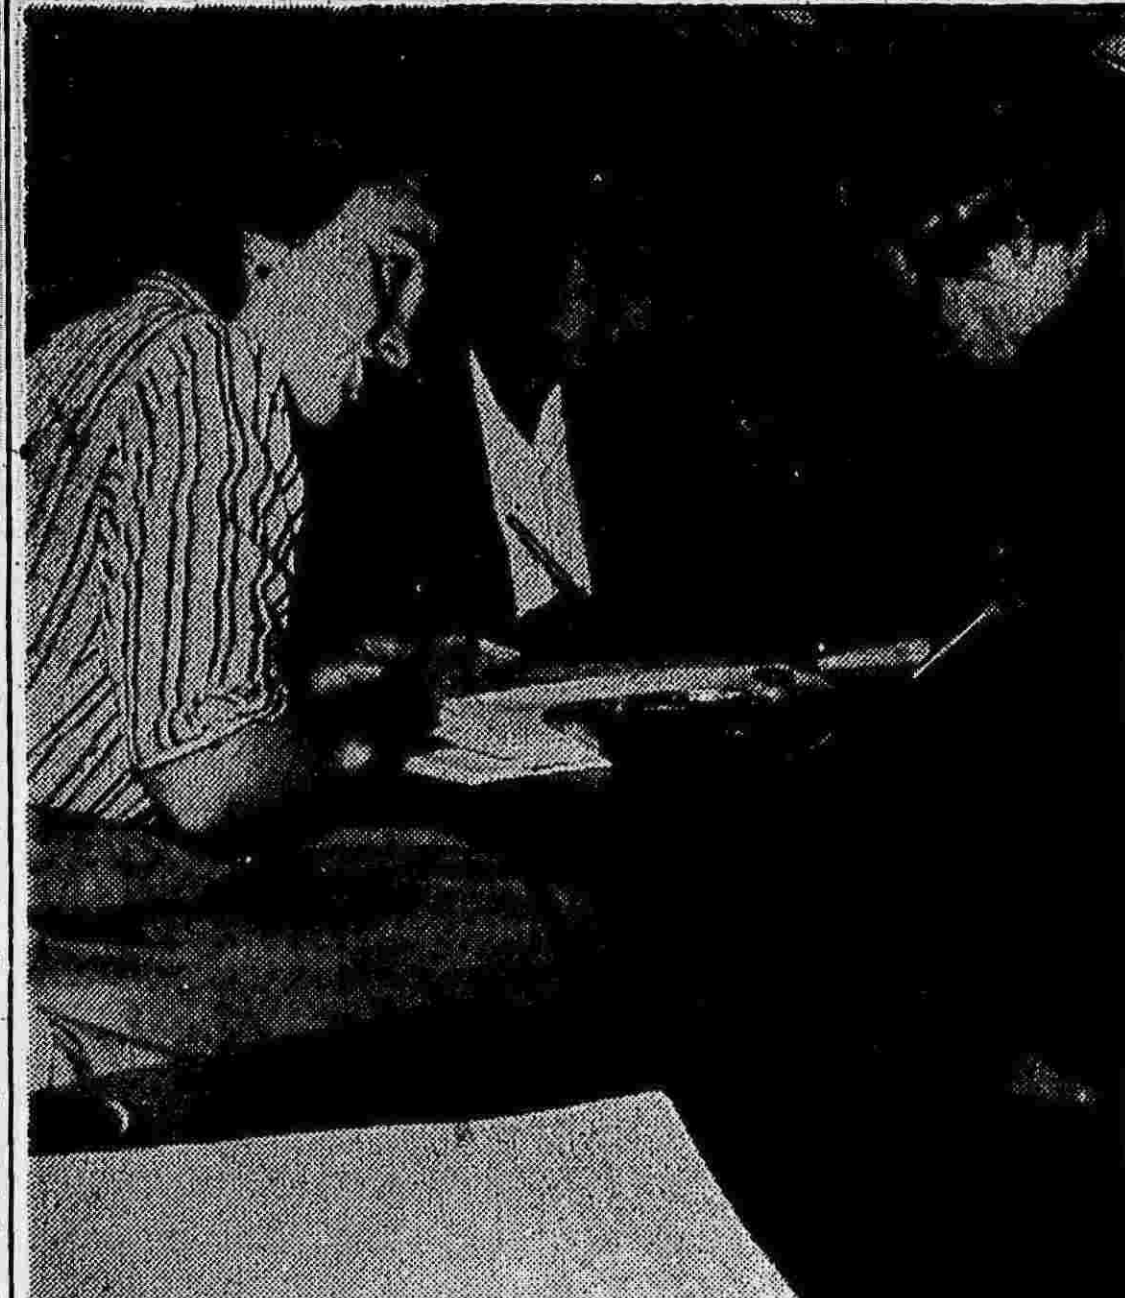

APPARENT DRIVER of the auto, Muriel A. Shannon, 20, Trevor, Wis., was said to be in fair condition at Victory Memorial Hospital on Wednesday. She has leg injuries and severe head and face cuts, but hospital authorities reported she was moving around on Wednesday.

Francis Prichard, 23, of Kenosha, was still in Victory Memorial Hospital with face cuts and bruises. Released from the hospital was Kay Jackowski, Rt. 3, Antioch.

The accident took place about 5:30 a. m. Saturday morning on Rt. 59 south of Rte. 173 and it appeared the car went off the highway, sheared a state highway signpost and came to rest against a culvert. There were no arrests made, officers reported.

The Antioch Rescue Squad answered the call and rushed the quartet to the Waukegan hospital.

Stanczak Beats Kahn By 2½-1 Vote Margin

CHECKING ADDRESSES for promotional literature for Republican State's Attorney Candidate Bruno Stanczak are (from left) Mrs. Joe Stenczak, Mrs. Gladys Reeves and Mrs. Boyd Osmond, women volunteers. Following the meeting, the 30 volunteers agreed to form a GOP Women's Club here.

Antioch Area Gives Plurality In All Precincts

Republican Bruno Stanczak was elected to the state's attorney office he holds by appointment Tuesday by substantial margins in the county, beating Democrat Richard Kahn by almost 2½-1.

County-wide, Stanczak garnered 18,068 votes to Kahn's 8,584.

In the Antioch News area, the vote was about the same, with Antioch Township going heavily Republican and giving Stanczak a 3-1 margin. Total vote was 971 to 348 as the GOP candidate won handily in every precinct.

LAKE VILLA Township was almost evenly split as Stanczak won by only 192 votes. He captured every precinct but by only a two-vote margin in the Venetian Village area where the vote was 100 to 98.

The campaigning for both candidates was conducted very bitterly by the parties and the GOP viewed the Kahn entry as an attempt to get the first Democrats in the court house. Both candidates carried on intensive "debates" on the radio and in newspapers. Several public gatherings brought the candidates together also.

One party worker told The Antioch News he was dismayed at the campaign and felt it was one of the "dirtiest" carried on here in recent years. Other GOP party workers after the election refused to mention Kahn by name, referring to him as "that man."

THE VOTE TOTALS in the 11 area precincts were as follows:

Antioch Twp.	Stanczak	Kahn	Total
Precinct 1	176	57	233
Precinct 2	135	36	171
Precinct 3	93	57	150
Precinct 4	251	76	327
Precinct 5	154	60	214
Precinct 6	162	62	224
Lake Villa			
Precinct 1	167	88	255
Precinct 2	92	66	158
Precinct 3	100	98	198
Precinct 4	120	80	200
Precinct 5	119	74	193

Both parties considered the vote good for a special election with only one office at stake.

Firemen's Ball Is Saturday

The fire eaters' one big benefit for the year will be held on Saturday night at 9 p. m. at the fire station here.

The event will be the 46th annual firemen's dance and King Jaros and his 11-piece band will furnish the music. Jaros is owner of the North Shore Resort on Lake Catherine and is famous in Chicagoland for his broadcasts on WGN.

Arranging the dance, which will benefit the firehouse equipment fund, are Frank Feiler, John Christensen, Virgil Burnette, Don Irving, Jim Quendenfeld, Jack Palmer and Alan Masopust.

Public to See Home Built in 1 Day In Unique Weekend Demonstration

Everything but the grass will be up in 24 hours Saturday as Thom-Eric Construction Co. presents a home building demonstration in which the public can see a complete four bedroom home built in a day.

The "Build-O-Rama" will be repeated on Sunday also.

Location for the home building display is off Grass Lake Rd. at Bluff Lake Dr., south of Antioch. The public is invited to watch workers put up a complete house and see the materials used in its construction.

DURING THE TWO days of the demonstration, there actually will be three complete \$21,500 homes built says Jim Erickson, manager of Thom-Eric Construction Co. One house will have the framework up on Saturday morning and on another workers will be ready to begin putting framework on the basement. Then in the same day, the public can see both the skeleton and the finishing of the house be completed.

On Sunday the second house will have the framework completed and a new one will be begun for a repeat of Saturday's performance by workmen. Model homes will be completed and furnished for both days, Erickson says.

THE UNIQUE demonstration is being made, the builder said, to show the quality of materials and workmanship that goes into a line of pre-cut homes that he sells.

They are not pre-fabricated but only lumber is cut and trimmed at a central factory to the type of home ordered. Then the lumber is unloaded at the building site and put up by local carpenters.

This method assures the builder of consistent quality in home building as well as speed in its erection since on the job cutting usually takes most of the builder's time, Erickson says.

THE WHOLE "Build-O-Rama" will take on a carnival atmosphere as boat rides will be provided by Chalet Marina and more than 5,000 orders of refreshment will be given by House of Quality and Meadow Gold Dairy.

Large crowds are expected at the demonstration as the event has been heavily advertised here and in Chicago papers, Erickson says. But it should be easy to reach and park as all roads are blacktopped and parking will be provided.

OES MEETS THURSDAY

The Antioch Chapter of the Order of Eastern Star will have a stated meeting this Thursday evening, in the Masonic Temple.

Mr. and Mrs. Leslie Heath will celebrate their 39th wedding anniversary and Mrs. Lillian Gaa will observe her birthday at this meeting.

10 Days to Go for Mary Kay, Noted Personalities Continue Coming Here

Mary Kay, termed Antioch's skyline queen by the Antioch Lions Club enters the home stretch of her flag pole sitting promotion, with a gigantic 4th of July celebration here.

She will leave her home atop Lyons and Ryan Ford on the morning of the fourth and join the parade, riding a float sponsored by the Antioch Lions.

Mary's radio program has been gaining momentum steadily and WKRS now estimates she has 91,000 listeners.

FATHER FELIX, O.S.B., Abbott of the Benedictine Abbey near Antioch at Benet Lake made a guest appearance last week on Mary's show and was the first of many interesting and impressive people that appeared last week.

Eddie Ducette, who appears on TV from Chicago, gave a live demonstration for interested spectators and provided a most interesting interview for the listening audience.

Ducette, a prominent chef, cites the fact of cooking ability on the part of many American women as one reason for the heavy divorce rate.

Ducette told of his new restaurant

that he has just opened, the Pancake Plantation, serving many different and original types of pancakes; it is a new type of dining atmosphere.

DR. MICHAEL DEAN arrived too late to participate in the radio program but gave a demonstration of his hypnotic magic before a large crowd gathered at the Ford garage.

Charlene Keulman, daughter of C. R. Keulman of Keulman's Jewelry became a believer in hypnosis as Dean put her easily to sleep. Miss Keulman was shocked when she awoke to find her arms held rigidly in the air and she could not lower them. On another occasion she found she had developed a terrible stammer and could hardly speak.

Another prominent guest was Dr. Herbert M. Phillips, president of the Albert Schweitzer Education Foundation.

MARY KAY came down off her perch Wednesday and made another personal appearance at the tenth anniversary of the Antioch Little League.

Eddie Ducette, Jr., was to accompany Mary Kay to the ball park

where he announced the game for the fans. Ducette, Jr., a student at Northwestern, aspires to a radio and TV career and while in college has done many student radio programs and sports casting.

Another guest of Mary Kay was Sandra Waldweier. Miss Waldweier was a victim of the 1956, July 4th railroad tragedy at Fox Lake in which three persons were killed when hit by a train. Miss Waldweier has become a rabid baseball fan in the past couple years and Bill Cox, producer of Mary's show has promised her an autographed baseball from the Chicago Cubs team.

Many other guests are scheduled to appear on Mary Kay's radio show in the coming week. Included will be Lars "Swede" Stromstedt, driver of the racing boat Widow Maker II. He will give an account of the regatta held at Volo last Sunday, in which he turned over and seriously damaged his boat in a "close call."

The Pete Rath trio, appearing at the El Rancho Pasadena also will be guests of Mary Kay on Saturday.

EVEN WHEN RESTING, these Antioch cheerleaders keep formation. They pause from duties in the sixth cheerleading summer school at the Illinois State Normal University. L. R. Horkimer of Dallas, Texas, known as "Mr. Cheerleader" was head instructor in studies in crowd psychology, sportsmanship, stunts, tumbling and new cheerleading techniques. June Dressel (left) and Diane Kopulos form an arch with their hands for Sharon Dittman.

DEAR READER News Editorials

A Refreshing, Valuable Pace Change Offered In Television

When a tired television viewer wishes a change from the stampeding nags chasing the badman, the toothy grin and bosomy fronts of the comedians and the constant din of "the thinking man's..." he can, with a switch of the wrist, get a refreshing change of pace. One of the more pleasant things of television is the educational attempts of stations, notably Chicago's Channel 11, the Window to the World. In looking over the annual report of WTTW, one becomes impressed with the diversified offerings and the tremendous service programs on the bill of fare. And switch of the dial shows that the programs, while informative, are not dull as one might think. Even the popular "Fins, Zwei, Drei" beginning German lesson is somewhat entertaining as well as highly educational.

Let's take a look at some of the offerings during the last year. In June, "Project Security," a series explaining insurance in American Life — not facts and figures, but dramatic explanations of a much misunderstood business.

September, "Children Growing," a highly successful advice for parents series with down-to-earth explanations. So popular was this series that it has been filmed and offered all over the country.

December, "Community of the Condemned," a fractional WTTW presentation, for national distribution, of prison life and its aftermath. Intriguing. Also presented, an original drama, "Henry and the Passing of Time," to mark New Year's Eve. As good as any commercial station presentation — and without commercials.

In January, a live opera featuring expert students of Northwestern University in "Trouble in Tahiti". Also in February, WTTW comes to the rescue of the taxpayer with a popular, profitable and interesting series on "Your Income Tax." What better time and how much more service can you get — free?

We could go on with a recitation of the menu but you perhaps now have gotten the idea that educational TV can be fun, interesting and worth missing that same old patter you see nightly on the commercial channels.

Of course to keep a station going, money is needed and it is also interesting to note that the public is being asked, and will respond, with the \$370,000 balance needed of a total \$760,000 budget.

Last Days Of General Assembly Are Tired, Rushed; Bills Show It

By State Rep. Paul Simon

The last days of any legislative sessions are hectic. The final committee work is completed; and those of us in the legislature remember the many things we wanted to do but have not done, and this adds to the confusion of the final two weeks.

I don't know what the record will be this time, but in previous sessions more bills actually have passed during the final two weeks of the session than in the previous five and one-half months.

DURING THE STRAIN of those final weeks many bills do not receive the attention they should, many proposals which should pass are defeated, and many bad bills are passed which should be killed.

Much of this is just the result of human beings being what we are. Students in high school and college don't study for their finals like they should regularly but have a tendency to do a great deal of studying at the last minute. "Deadline time" at a newspaper tends to be a time when there is a burst of activity.

The two weeks before July 1 are our "deadline time" and that's when we have our "finals."

AS A RESULT, not only is action taken very quickly on many bills, but the legislators have such a heavy schedule, that we are not able to give measures as alert attention as we could with a little lighter schedule.

For example, let's take a look at one House member's schedule for Monday of the week in which this is being written:

9 a.m. to 1 p.m. Committee meeting.

1 p.m. to 5:30 p.m. General Session of the House.

5:30 p.m. to 7:45 p.m. Committee meeting.

7:45 p.m. to 8:30 p.m. Free time for evening meal during which you discuss bills with other legislators.

8:30 p.m. to 12:15 a.m. General session of the House.

12:15 a.m. to 1:45 a.m. party caucus.

AFTER THAT a quick sandwich and then sleep before an 8:15 morning appointment.

That day's activities are unusually heavy, but on most days now our official activity carries us past the midnight hour. The worst sound of the day is the telephone call in your hotel in the morning. They wonder how it could possibly be morning already.

These days when people in Springfield ask you how you are, the usual "just fine" is replaced by the word "tired" — and some of our legislation shows it.

A BILL WHICH should help this situation somewhat is one making it possible for legislature to file bills prior to the convening of the session. This bill has passed the

House and is now in the Senate.

That will permit earlier committee work and should help to make the final weeks at Springfield a little less hectic.

It is in the interest of better health for the legislators and better laws for the public.

Good Hay Crop Being Harvested In Trevor Area

By Mrs. Grace Miller Trevor Correspondent

The farmers in this area are busy harvesting a bumper crop of hay and the prospects of a good crop of grain is reported.

Mr. and Mrs. George Wilen drove to Two Harbors, Wis., to attend the funeral of Mr. Bert Beland, who passed away at Harvey, Ill.

Several from here attended the funeral of Clayton Lester who passed away in Tampa, Fla., and was buried in Liberty Cemetery. He was a former resident of Trevor.

Mrs. Beatrice Mathews and son, Charles, from Ventura, Calif., arrived on Wednesday for a visit with her parents, the Charles Oettingers, and her son, Douglas Mathews, who has spent the past year here.

The Lloyd Millers and Mrs. Mabel Peacey returned home by plane from California on Saturday.

The Sheen family picnic was held at the Union Grove fair grounds on Sunday and about 65 relatives were present. The Ronald Nelson family from East Lansing, Mich., came the longest distance and it being a perfect day a most enjoyable time was had by all.

Mrs. Annie Smith and Mrs. Beatrice Mathews accompanied Mr. and Mrs. Charles Oetting to the 84th birthday party of Mr. Gus Lubkeman of Bristol on Sunday.

Mrs. Elvira May of Madison, Wis., visited her family, the Oettingers, and other relatives on Wednesday.

State Families Up Insurance Holdings

Illinois families owned 16,785,000 life insurance policies providing \$33,997,000,000 of protection at the start of this year, a new high record, the Institute of Life Insurance reports.

Connecticut led the nation in family ownership of life insurance at the start of the year, with \$12,900 per family. Next in order were New Jersey, with \$12,200 per family and Delaware with \$11,700 per family. New York was fourth among the states, with \$11,100 per family.

Family Honors Mrs. Rogers On 80th Birthdate

By Mrs. Pearl Kapell Channel Lake Correspondent

Mrs. Alberta Rogers was guest of honor at a surprise party on her 80th birthday on June 17, attended by her children, grandchildren and 12 great-grandchildren.

Present were Mr. and Mrs. Russell Brule and daughter, Carol, Mr. and Mrs. Lewis Rogers, Mrs. Grace Rogers, Mr. and Mrs. Charles Bjork and children, Mr. and Mrs. John Runyard and children and Mr. and Mrs. Emory Trussel and children. Two sons, Lisle of Antioch and Vernon of Arizona were unable to be present. Mrs. Rogers has resided in this community all her life.

Mr. and Mrs. Joseph Ivey, Lake Ave., Channel Lake, are the parents of a little girl, Lela Elizabeth, born at 9:55 a. m., June 10. Lela weighed 6 lbs. 10 oz. Mother and daughter are fine.

Lynn and Thomas Atwood, Woodcrest Subdivision, have a new son, David Thomas, born at Victory Memorial Hospital on June 16. David weighed in at 6 lbs. 12 oz.

It's a big boy, too, for Mr. and Mrs. Dale Jones, Felter's Subdivision. Daniel Edward, 7 lbs. 6 oz., was born in Victory Memorial Hospital on June 20. Donna and Daniel are fine. Dale had some nervous moments, caused by heavy traffic from Waukegan's Centennial celebration Saturday, but recovered nobly. Donna and Dale also have a little girl, Dana.

Polyandry in Tibet is dictated by economics, not romance. A Tibetan woman frequently marries several men, who work together to support the family.

Lyons-Ryan Legends

"If you'd let me have our car tuned up at Lyons-Ryan Ford, you wouldn't have to pack overnight bags to drive six blocks to the super-market!"

IDS Goes Over \$3 Billion Assets

Investors Diversified Services, Inc., has passed the \$3 billion mark in net assets under management, W. L. Strahan of Antioch, zone manager has announced. As of May 31, 1959, total assets of the parent company, its subsidiaries and affiliates composing the Investors Group, amounted to \$3,009,912,851.

The announcement comes just one month before the Company's 65th birthday and only three years after the \$2 billion plateau had been attained in April, 1956. The first billion dollar mark was reached in June 1952 and was doubled in less than four years.

The Minneapolis-based investment corporation ranks among the 25 leading financial institutions in the United States and is the largest investment company of its kind in the nation. It is the investment manager and national distributor of five open-end mutual funds.

Topics for Today's Women

Lady Legionnaires Re-elect Mrs. C. Horan Pres.

Mrs. Carolyn Horan has been re-elected as president of Antioch Unit 748 of American Legion Auxiliary. Other officers named were Mrs. Myra Randall, first vice president; Mrs. Dorothy Horan, second vice president; Mrs. Louise Radke, treasurer; Mrs. Rose Kennedy, secretary; Mrs. Ellen Swenson, chaplain; Mrs. Lydia Edwards, sergeant at arms, and Mrs. Agnes Hills, historian.

DATE OF INSTALLATION has not been set.

The last auxiliary meeting of district ten, department of Illinois of the Legion Auxiliary, will be held at Libertyville on June 29. Dinner will be served at Bien Venue Restaurant. Several officers and chairmen of the Antioch unit are planning to attend.

Mrs. Dorothy Horan, captain of the losing membership team of the unit, is planning an evening of entertainment for the winning team at the next regular meeting on June 26.

Businesswomen Elect, Honor Mrs. Patrovsky

Businesswomen have elected Mrs. Mae Atwood as president of the new Antioch Businesswomen's Club and have given a gift to Mrs. Helen Patrovsky, retiring president. She served for two years.

Mrs. B. Thompson is new vice president and Mrs. Betty Mueller is secretary. The new treasurer is Mrs. Delores Roblin. Installing officer for the dinner meeting at the Colony House, was Mrs. Lillian Hand.

COMMITTEE MEMBERS also were named by the new president to assist in club activities. Mrs. Karen Christensen is head of the program planning; Mrs. Mary Ann Kohl, finance; Mrs. Patrovsky, social; Mrs. Vera Horton, sunshine and Mrs. Lillian Hand, publicity.

One of the first events of the new year will be a dessert luncheon and style show on July 15 at the Scout House on No. Main St. The event is open to the public and tickets may be purchased from members or at the door. A card party also will be held at that time.

Lt. Topercer Family Moving to Virginia

Expecting to make their home in Triangle, Va., in July are Lt. and Mrs. John Topercer and son.

Lt. Topercer, a son of Mr. and Mrs. John Topercer of Main St., Antioch, graduated from Marquette University on Jan. 18 and left on June 16 for service with the Marine corps. He is stationed at Quantico, Va., marine base.

FL Hills Folks Invited to Beach House Movies

By Jim Jankowiak

Fox Lake Hills Correspondent
All Fox Lake Hills residents and their guests are invited to attend the Friday night movies shown at the beach house. The Sports Club has obtained full length features. They showed Northwest Stampede last Friday and plan to show Francis the Talking Mule this week. The snack bar at the beach house will be open as usual on movie nights.

Three young F.L.H. women, Sue Cappitelli, Lynn Shogren and Lois Weathers were on the second place winning drill team at the state convention of Veterans of Foreign Wars in Springfield. The Kadettes is the name of the team and it is sponsored by the Lake Villa VFW.

Robert J. Kash, I.M.E., was the guest of Eddie Jankowiak family for the week of June 14. At present, the Jankowiaks are hosts to Robert's sister, Darlene.

Sand has once again been dumped at the Chesney Beach Area. It is hoped by the Unit 1 residents that the dropoff will be filled shortly.

Janet Yuss and her cousins, Christy and Jim Pallot were the weekend guests of Janet's aunt and uncle, George and Julia Chonis. They had an exciting day of horseback riding, swimming, fishing and picnicking.

Local Sailor on Carrier

John E. Hucker, seaman, USN, son of Mr. and Mrs. Edwin J. Hucker of Route 3, Antioch, is serving aboard the anti-submarine aircraft carrier USS Kearsarge operating off the southern California coast. The 41,000-ton Kearsarge recently completed her regular overhaul at the Long Beach Naval Shipyard.

Virginia Miss, Lt. Dieball Wed In Saturday Afternoon Ceremony

In lovely afternoon ceremonies in the Chapel in the Woods at the U. S. Naval Air Station at Norfolk, Va., on Saturday, June 20, Miss Elizabeth Jane Grove of Hamilton, Va., became the bride of Lt. (jg) Robert Charles Dieball of Antioch.

The bride, a daughter of Mr. and Mrs. George Dewey Grove, was given in marriage by her father as Navy Chaplain H. A. Seymour pronounced the vows. Lt. Dieball is on the staff of Comphibron Six aboard the USS Taconic stationed in Norfolk. His parents are Mr. and Mrs. Erwin E. Dieball of Antioch.

A waltz length gown in white chantilly lace was chosen by the bride for the ceremony. It was styled with a scalloped neckline, long sleeves and princess line bodice with bands of silk and silk self-flower in the back to accent the full skirt. A fingertip illusion veil arranged from a lace bandeau was touched in pearls and sequins and she carried a cascade bouquet of white roses and stephanotis.

Attending the bride was Miss Esther Mapp Jacob of Exmore, Va., as maid of honor and the Misses Patricia Teaslye, Sandston, Va., and Pat Griffin Seawell of Washington, D. C. were bridesmaids.

Best man was Lt. John R. Lastova of Norfolk and attending as groomsmen were Lt. (jg) Robert L. Doolittle and Lt. (jg) Clifford R. Woods, all of Norfolk.

A reception was held at 151 E. Bayview Blvd. in Norfolk and after a honeymoon trip to the north, the couple will reside at 1015 Shore Dr., Bayside, Va.

The new Mrs. Dieball is a graduate of Mary Washington College in Fredericksburg, Va., and has been teaching at Lakewood Elementary School, Norfolk. Lt. Dieball is a graduate of Louisiana State University, and was a member of Kappa Sigma fraternity.

Joan Marie Forbrich

Joan Forbrich Selects July 4 Wedding Date

The engagement and July 4 wedding date for Joan Marie Forbrich of Antioch and Paul W. Ferrigan of Ingleside, has been announced by Mr. and Mrs. Walter F. Forbrich. The bridegroom-to-be is a son of Mr. and Mrs. Howard Ferrigan.

Open House to Fete Newlyweds Sunday

An open house will be held Sunday, June 28 at the Erwin Dieball home on Lake Marie to honor Lt. and Mrs. Robert Dieball who were married June 30, in Virginia.

Friends and relatives of the newlyweds from Antioch and Chicago who could not travel to the wedding will be on hand.

ASSISTING WITH arrangements for the open house are Mrs. Donna Dieball, a sister-in-law of the couple, and Lt. Dieball's parents.

The newlyweds will return to Virginia about July 4 where Lt. Dieball is serving aboard the USS Taconic. His new wife will live with her parents, Mr. and Mrs. George D. Grove, Hamilton, Va.

At Methodist Conclave

Delegates from the Antioch Methodist Church to the Rock River Conference of the church are Mrs. L. Sitler and Mrs. Charles Watson. The conference is being held Wednesday and Thursday, June 24-25. Charles Watson is accompanying the delegates.

Paul Biel, English Bride, Visiting Here After Wedding In June

Now visiting in Antioch after their marriage in Woodford Wells, England, on June 6 are the new Mr. and Mrs. Paul N. Biel. The bride is the former Aileen Bridget Fosh, a daughter of Mr. and Mrs. R. W. Fosh of Grayfriars, Woodford Green, Essex, England.

The couple met four years ago while both were holidaying in the south of France and Miss Fosh came to the U. S. in 1957 and worked in Evanston as a stenographer. She visited the Biels at Christmastime when the engagement was announced.

The wedding was in All Saints' Church, Woodford Wells, with the Rev. C. DeCostobadie of Marston, Yorkshire, and a friend of the bride's family, officiating. The Rev. A. W. Goodwin Hudson, vicar of the church, assisted.

The bride was given in marriage by her father and wore a cream brocade dress decorated with pearls

ATTENDING EVANSTON COLLEGE

Mrs. Robert J. Wilton is attending the National College of Education at Evanston for a 6-week course.

Garden Club to Place Flowers at Library

The Antioch Garden Club convened Monday afternoon at the home of Mrs. Walter Thompson in Spring Grove, with Mrs. John Wagner serving as co-hostess.

The main topic of this meeting was the discussion and preparation of the coming Second Annual Garden Show, to be held on Friday and Saturday, July 10 and 11, in the Antioch High School cafeteria.

Show schedules are available and any person interested in participating in this show may get them from the president, Mrs. Dudley Kennedy, at Antioch 9, or Vice-President Mrs. Norvin Stoffel at Antioch 1469. There will be a division for junior entries for any enthusiastic young gardeners.

It was decided at this meeting that a flower arrangement is to be placed in the Antioch Township Public Library each week during the flower-growing season.

Zeiens to Mark 25th Wedding Date on Sat.

Mr. and Mrs. Nicholas Zeien, Lake Ave., Channel Lake, will observe their 25th wedding anniversary at their home this Saturday, June 27. Friends are invited to call at their home after 6 p. m. in the evening.

Antioch Miss to Join UI Sorority

Sandra Barnstable, Route 3, has been invited to pledge Alpha Xi Delta social sorority at the University of Illinois.

Bids were extended 611 young women at the close of formal June rush. This is the largest pledge class in the history of University Panhellenic. Dr. Patricia Cross, assistant dean of women and Panhellenic adviser, said.

The women will be initiated in February following successful completion of pledge requirements.

Mrs. Watson to Attend Mission School

Mrs. Charles Watson, president of the Women's Society of Christian Service of the Antioch Methodist Church, will attend the School of Missions to be held at Elmhurst College at Elmhurst.

The school will be held from June 29 to July 3. She will be a delegate of the society.

HAS CHURCH PICNIC

The annual All-Church Picnic for the Fox Lake Baptist Church was held at Fox River Park near Wilmet on Saturday.

'This Is Your Life, May Palmer' Salutes Retiring WOTM Regent

More than 67 members of the Antioch Women of the Moose Sunday honored retiring Senior Regent May Palmer for her work.

In the formal meeting, Mrs. Palmer presented gifts to those who aided her in floor work during the year and chairman officers and escorts later gave her gifts. She also received a scrapbook of her year as regent.

THE MEMBERSHIP committee presented a "This Is Your Life, May Palmer" program which recalled the life of the senior regent.

Mrs. Palmer is a charter member of Antioch chapter 735 and Mrs. Alice Coleman from Highland Park was part of her life in helping the chapter get started.

Katherine Rienke from Waukegan also was there and helped the chapter nine years ago. Colleague Jane Meyer was master of ceremonies for the program.

Woman's Club Gives \$485 To Swim Pool

A check for \$458 was presented to the Antioch Aqua Center Corp., owners of the Antioch Swimming Pool, last week by the Antioch Woman's Club.

The money was raised in a swimming pool benefit party held on Thursday at St. Peter's Church hall with more than 225 adults attending a dessert luncheon.

The check was presented by Mrs. William Brook, president of the Woman's Club. She gave her thanks also to the committee members who worked on the project.

Name Officers of Salem H.S. FFA

Junior officers of the Salem Central High School FFA chapter for next year have been announced by Vaughn Sorenson, vocational agriculture instructor.

Neal Meier will be president and he will be assisted by James Thomey, vice president; Charles Johnson, secretary; Charles Krahn, treasurer; Larry Christensen, reporter and Frank Rhodes, sentinel.

Demonstrates Bible School Teaching

"Living for Jesus in the Space Age" is the theme of the daily vacation Bible school being conducted by the Fox Lake Baptist Church. Average attendance for the first week of the school has been 57.

A special demonstration program was given Sunday evening in the church with all children taking part.

Family Flies Here For Shower, Reunion

Mr. and Mrs. Norman James, Jr. and their three children flew to Antioch Saturday afternoon from Champaign, to visit their parents, both of whom live in the Antioch area, especially their dads on Father's Day. Mrs. James also attended a stork shower given for her sister, Mrs. Donald Gall, on Sunday afternoon.

The shower was given by Mrs. Ernest Schlunz, Jr., at her home in Petite Lake Highlands, with about 20 guests attending from Chicago, Wisconsin and the neighboring area.

After the guest of honor opened her lovely gifts, Mrs. Schlunz served a buffet supper.

L. Chase Recovering

Lloyd W. Chase, Sr., of Sunny Slope Subd., Loon Lake, was rushed to Hines Hospital last Wednesday morning by his daughter, suffering from a cerebral hemorrhage.

Chase, who is a World War I Veteran, has lived in this area the past 25 years. He returned home Tuesday and though his condition is reported as satisfactory, he will require bed rest for quite some time.

WEDDING PARTY GATHERS outside the All Saints' Church in England following the June 6 nuptials which united Paul N. Biel of Antioch and Aileen Bridget Fosh. The newlyweds are now visiting in Antioch with parents of the bridegroom, the Louis A. Biels of Channel Lake.

Tailpipe Tells Tales Of Gas Consumption

Before taking off on that next trip, here is a practical tip worth heeding on the subject of car care.

Take a look at the exhaust pipe, say the engineers of a spark plug company, to find out whether your car is using gas efficiently. A grayish white deposit on the tail pipe is usually a sign of good combustion. Oily black deposits may be a sign your engine is burning oil.

BLACK, SOOTY deposits indicate a rich mixture, usually caused by faulty or improperly adjusted carburetor or choke. A dirty air cleaner can also cause over-rich mixture.

This sooty exhaust is also a clue to incomplete combustion usually caused by worn or fouled spark plugs. Misfiring spark plugs allow a raw, unburned fuel to be blown out of the exhaust pipe. This condition not only wastes gas, it also causes damage to the engine, because some of this raw gasoline runs down the cylinder walls, washing away the lubricating oil and increasing wear on the piston rings and cylinders.

From the cylinder walls the raw fuel drips into the crankcase, diluting the oil. This decreases the engine oil's ability to protect vital bearings, valves and other precision parts.

So you have wasted gas, diluted oil and accelerated engine wear. Take a look at that tell-tale tail pipe.

The Antioch News and Lakes Theatre invite Mrs. Dudley Mertes, Rt. 4, Old Elm Road, Lake Villa, and one to attend Sunday, Monday or Tuesday's show on June 28, 29 or 30, at the Lakes Theatre.

"AN ACCOMPLISHED HOBO" Dr. Herbert Phillips and his wife tell the fascinating story of their lives to Bill Cox on the daily radio program beamed to all the lakes region from Antioch. Dr. Phillips is chairman of the Albert Schweitzer Education Foundation.

'Accomplished Hobo' Brings World Of Peace of Dr. Schweitzer Here

The philanthropic world of Dr. Albert Schweitzer was introduced to the Antioch community last week as the Mary Kay promotional event, designed for gayety, became a program of many tastes.

Mary Kay, Antioch's sky queen who has been sitting on a platform here since June 3 as a build up to the July Fourth festivities here, broadcasts daily over WKRS. Local luminaries are brought in for interviews daily and are mixed with many of the more famous people of show business.

THE SATURDAY program was devoted to an interview with Dr. Herbert Phillips and his wife of Chicago. He is founder of the Albert Schweitzer Educational Foundation and after telling the story of his own highly interesting life, he told the story of an even more impressive Dr. Schweitzer who well may be the 20th Century's most remarkable individual.

Phillips himself has an unique background beginning at the age of 15 with a taxi service on Indiana's sand dunes. That enterprise gave him and a friend enough money to tour most of the countries of Europe. On returning to finish high school and earn a degree at the University of Chicago, Phillips celebrated graduation by traveling across the U. S. as a hobo.

He continued his education by gaining a degree of doctor of dentistry and with a bride, began pay-as-you-go honeymoon trip around the world. Their adventure "Around the World by Tooth and Nail" became the subject of numerous magazine articles as the now Dr. Phillips and his wife earned costs by doing dental work, manicuring and writing.

DURING THE TOUR, the couple met some of the most famous people in the world including Mahatma Gandhi in India and Toyohiko Kagawa of Japan.

By this time, Dr. Phillips was 22 years old and ready to begin the job of working in his profession and opened his dental office in Chicago.

He started to help organize the "Great Books" movement but was dissatisfied with the list of books offered and began reading such other works as Arnold Toynbee, the historian, and Albert Schweitzer's

Apply July 1 for UI Family Housing

Applications for University of Illinois temporary family housing in Stadium Terrace and Illini Village will be accepted from married students on and after July 1 for possible assignment during the fall semester.

Priority will be given to married veterans who are residents of the State of Illinois. Other points of preference include age, number of children, service-incurred disability, length of active military service, and grade point average earned at University of Illinois.

Applications and inquiries should be addressed to the Family Housing Office, University of Illinois, 222 Illini Hall, Champaign.

"Philosophy of Civilization."

Whenever Dr. Phillips wanted an answer to a perplexing problem, he sought the source and thus discussed Schweitzer's ideas with Alfred Einstein. Later he went to Africa to see Dr. Schweitzer personally and was so impressed with the man that he became a disciple of this "prophet of freedom."

It was only February of last year that Phillips helped organize his second great movement, the Albert which attempts to promote Dr. Schweitzer's ideas to the world. A program on Chicago TV channel 11 will be presented soon to further explain the foundation aims.

Nurse Scholarships Are Available from Welfare Department

W. C. Petty, superintendent of Lake County Schools, has announced that arrangements had been completed for William E. Skadden, a representative of the Illinois Department of Public Welfare, to be in his office at the Court House in Waukegan on Tuesday, June 30, from 9 a. m. to 5 p. m. to explain the State Nursing Scholarship program for any interested students or parents.

He stated that Skadden will meet individuals or groups, either parents or students, especially invited are high school seniors or graduates of recent date or those who have been employed for several years in other fields but are still interested in a career in nursing.

STUDENTS PRESENTLY enrolled in a school of nursing or in a college in a nursing course who desire or need a scholarship to complete their training are urged to investigate this plan.

No appointments will be necessary during the scheduled hours, as the state welfare department representative will meet with individuals in conference or with groups on a first come, first served basis, the method used to award these nursing scholarships.

Parents of interested students are encouraged to attend the conference where instruction will be given for making immediate application for the nursing scholarships offered and currently available from the Illinois Department of Public Welfare.

The nursing scholarships worth from \$1,800 to \$3,500 over a three-year period are open to both men and women between the ages of 17 and 35, who are high school graduates. They must be citizens of the United States and reside in Illinois. The final requirement is that they be accepted by any approved school of nursing or college program in nursing in Illinois, or one of the midwestern states. The choice of the school is made by the student.

THE SCHOLARSHIP is also open to students already attending an approved school of nursing during any year of their training that they feel the need of such assistance to finish their schooling. Students enrolled in a college or university program in nursing are also eligible during any of the final three years

IN APPRECIATION

During our recent bereavement in the loss of our loving son and brother, Gary, we wish to thank all of our friends, relatives and neighbors who were so comforting and kind to us in so many ways.

We wish to thank the Antioch Rescue Squad, Dr. Thain, and Walter Scott in their attempt to save our son. A heartfelt thank you to Joseph Matussek for administering artificial respiration until the rescue squad arrived.

We wish to thank Reverend Anderson and Father Hood for bringing comfort and peace to our home.

Many thanks to the Village of Antioch and the businessmen of our village for the courtesy of honoring our son and brother.

Mayor Murrill, Mrs. Cunningham and family

KEEP EYES ON DIET

Watch your diet, eat well but wisely, when driving on an extended motor trip. The Institute for Safer Living says: Light, low-calorie energy producers such as fruits, salads and moderate amounts of meat are best for traveling; also, they help, along with coffee, to provide that awake and alert feeling.

CHECK THE CAR!

Even though your car appears to be in top-notch running condition, it pays to have it completely safety-checked before starting on a long motor trip, advises the Institute for Safer Living. This is especially important if your car is three years old or more.

of such a course.

Tuition, fees, books and uniforms will be furnished for the three years of basic nurse's training, or the last three years of an academic or degree course in nursing for all students under this program. Additionally, first year students will receive a monthly stipend or allowance of \$30, second year, \$40, and third year students, \$50.

Each student signs an agreement with the Illinois Department of Public Welfare that they will accept employment as a staff nurse at FULL SALARY, upon the completion of training, in one of the state psychiatric hospitals or schools on the basis of one year for each year they received the scholarship-stipend.

There are 553 students, from practically every county in the state, who have been afforded the opportunity to prepare for a career in nursing under this scholarship program since its inception in 1955, with 157 already assigned to nursing positions in state welfare hospitals and schools. The funds for these scholarships are provided by the State Health Fund to help alleviate the shortages of professionally trained personnel in health fields.

All persons interested in details or application blanks for a nursing scholarship from the Illinois Department of Public Welfare, who are urged to contact their County Superintendent of Schools or to write directly to Mrs. Louise A. Meyer, R. N., Chief, Nursing Education, Department of Public Welfare, 403 State Office Bldg., Springfield, Illinois.

Hello, Mom! Surprise, I'm In Waukegan

The Channel Lake Community was given a scare Sunday by four-year-old Loretta Ring, but her childish prank was discovered before panic enveloped the area.

Loretta became the subject of a two-hour search beginning about noon Sunday when it was feared she was lost. She disappeared about 10:30 a. m. when her brother Tom, 18, left to take his father to a Chicago baseball game. When lunch-time came about 11:30, she could not be found and so neighbors joined Mrs. Blaine Ring and family in the search.

MRS. RING ENLISTED the aid of Jack Wells, a state policeman living at Channel Lake, who led the hunt.

Suddenly Mrs. Ring recalled that young Loretta, upon hearing the car was going away, would climb into the family's station wagon so she could go along. In a few blocks she had the habit of popping up.

But this time, with her father and brother Tom in the car, she apparently did not want to let them know she was along. So she stayed down, maybe asleep, and the car was parked in the railroad parking lot in Waukegan while daddy and brother were in Chicago.

Remembering her prank, Mrs. Ring asked trooper Wells to radio Waukegan police to check the car in the parking lot. They found the youngster, frightened, but safely locked in the family auto, and the search was called off.

By Tuesday, Loretta had not wanted to ride in the car again and she would say little of her escapade. But Mrs. Ring was grateful for her safety and expressed thanks to Wells and the other neighbors who aided.

101 Contributors To LV Rescue Squad Listed

A new list of donors to the Lake Villa Rescue Squad has been released by the treasurer. It includes names of 101 residents and organizations in the area who showed their appreciation for the work of the volunteer squad.

Antioch Student In Men's Honorary

Albert Herman, North Ave., Antioch, junior in commerce, has been named to membership in Ma-Wan-Da, senior men's activity honorary at the University of Illinois.

Members are selected each spring from among junior men who have shown leadership in all types of student organizations, including athletics, music, publications, Illini Union activities and others.

Herman also is a member of Air Force ROTC and is in camp at Craig AFB, Ala., until July 11 for a training session.

A SUMMER session is required at the end of the junior year for advanced cadets seeking commissions in the Air Force. At camp they obtain training in leadership, practical experience, and opportunity to observe base operations.

Illinois cadets are divided among five Air Bases located from Michigan to Texas. Forty will be in camp June 14 to July 11, and 21 from August 2 to August 29.

My commission expires January 5, 1963.

PUGGY

DICK HAWKINSON is shown above interviewing Eddie Ducette on last Friday's radio broadcast. Ducette, a guest of Mary Kay on her radio show, gave a demonstration of his cooking wizardry.

SO YOU CAN'T be hypnotized eh! Shown here in a deep hypnotic sleep are from left to right, Delores Peffer of Libertyville, Jimmy Dupre and Charleen Keulman, both of Antioch. They participated in a demonstration given by Dr. Michael Dean following last Friday's broadcast.

Trace Chicago's Experience With Royalty

Queen Elizabeth's visit to Chicago in July will provide a sparkling contrast to the city's first experience with royalty nearly 100 years ago.

Chicago's budding society was itching to show off its finery—imported from the East—and to display the fancy drills it had practiced for a grand parade, when the Prince of Wales came to town in 1860.

But Albert Edward—later King Edward VII—came incognito as Baron Renfrew. According to researchers, he squelched the plans for celebrations in his honor and insisted on being treated like an ordinary Englishman.

MAYOR "LONG JOHN" Wentworth saved face by declaring that the prince was merely following the wishes of most Chicagoans, who did not like "kow-towing to royalty."

The city got its chance to entertain in the grand manner in 1893, Mrs. Palmer.

when the Duke and Duchess of Veragua arrived for the World's Columbian Exposition.

Back home on the farm, the duke quietly raised prize bulls for the Madrid bull ring. But in Chicago, he was wine and dined as the only living descendant of Columbus.

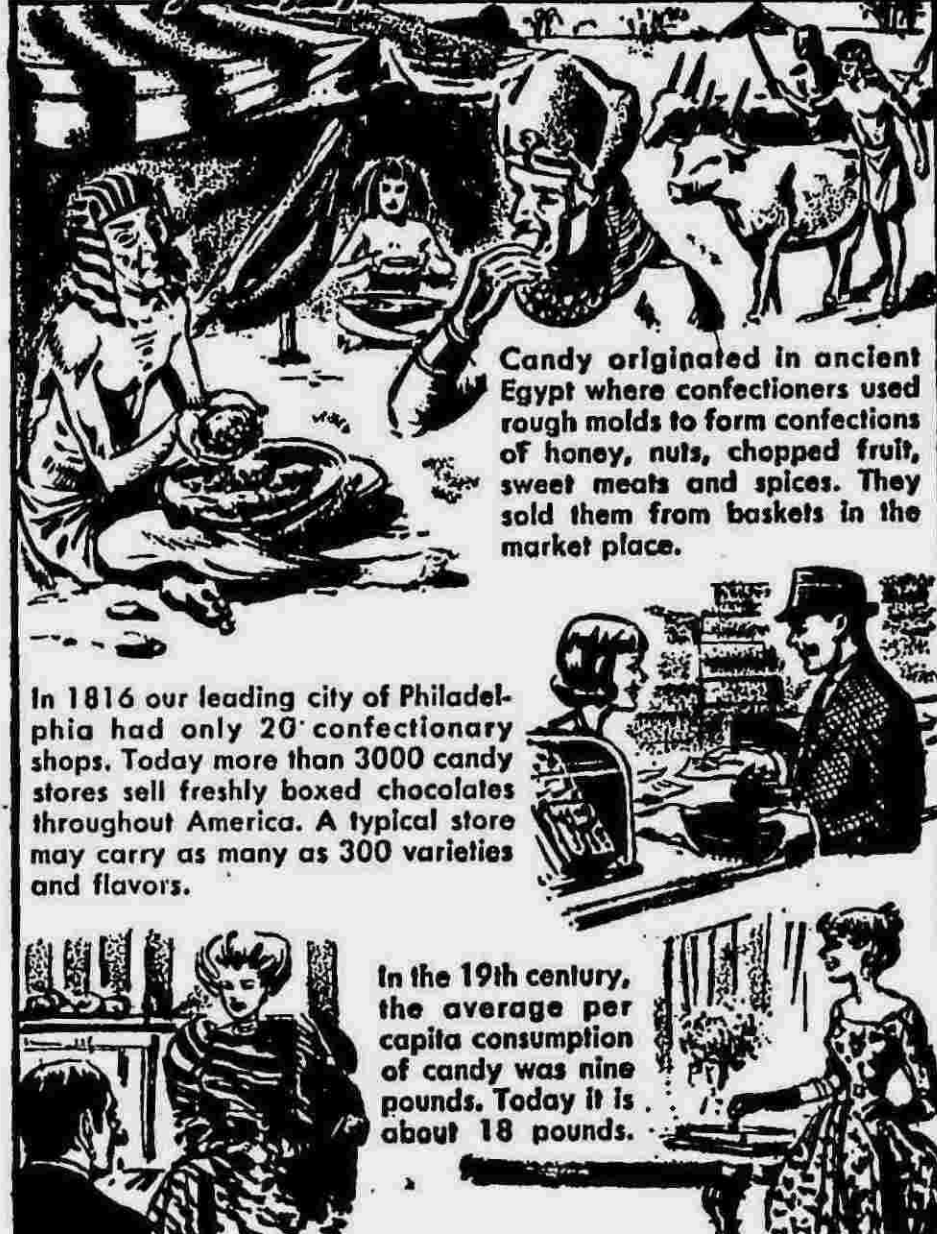

THE FESTIVITIES overwhelmed the duke, and he was reluctant to leave. The national commission that was paying his expenses was just as reluctant to see him stay. After a month, the commission declared that his visit—so far as the national pocketbook was concerned—was at an end.

Chicagoans hoping to meet Queen Elizabeth might take a tip on etiquette from the debate that raged over the visit of the Infanta Eulalia of Spain in 1893. The crucial question was: Is it proper to shake hands with a princess? Mrs. Potter Palmer—whose word was society's law—decided that it was up to the princess.

Mrs. Palmer needn't have been so solicitous. The late entrance wasn't yet fashionable in Chicago, and the Infanta created a social scandal by daring to arrive late and leave early at a reception given for her . . . by Mrs. Palmer.

Candy-dly Yours

by WALDMAN

Candy originated in ancient Egypt where confectioners used rough molds to form confections of honey, nuts, chopped fruit, sweet meats and spices. They sold them from baskets in the market place.

In 1816 our leading city of Philadelphia had only 20 confectionery shops. Today more than 3000 candy stores sell freshly boxed chocolates throughout America. A typical store may carry as many as 300 varieties and flavors.

In the 19th century, the average per capita consumption of candy was nine pounds. Today it is about 18 pounds.

Libertyville, Ill.

Gen. Ass'mbly To End On Saturday

By State Senator Robert McClory

The final chapter of this series of articles and of the 71st General Assembly is now being written. On Saturday, at exactly 12 midnight according to the clock suspended in the rear of the Senate chamber, the Illinois State Senate and House of Representatives are scheduled to adjourn sine die.

As this biennial session of our State legislature recedes into history, we reflect upon the various characteristics which distinguish the 71st from the previous sessions in which I have served.

A RECORD VOLUME of bills has induced more "explaining" of votes and more debates than at any previous session. More than 1,650 House bills and more than 1,100 Senate bills have gone across our desks. Night sessions of the House have been the regular order of business. Senate sessions have been more drawn-out than ever before.

Maneuvering for political advantage in 1960 has frequently submerged the public interest of genuine statesmanship for which there is a continuing need in Springfield. Special interest groups have promoted and received passage of much of the legislation. Bills in which the average inarticulate citizen is interested were side-tracked for the most part.

Members who have been active on the Springfield scene have undergone the experience of passing and "losing" bills. Behind every bill are the "human" hearts and minds of the 57 senators and 177 representatives. (We are one less with the sudden death of Senator Victor McBroom of Kankakee midway through the session.) Each member of the 71st General Assembly has his or her hopes and ambitions. (Yes, we do have two women Senators and seven of the "gentler sex" in the House of Representatives.) Each member has enjoyed hours and days of triumph, each has suffered defeats and heart-rending disappointments.

THE "HARD-SHELLED" politician is a myth when applied to legislators. There is no more sensitive group of public servants in existence. The passage or defeat of every bill brings pride and joy to some member of the General Assembly. The same result leaves other members depressed, dismayed or struggling with a sense of inadequacy and frustration.

The struggle ends—inevitably—when the House and Senate adjourn, at midnight Saturday, June 27. Many of our Illinois citizens are totally unaware of the drama of the past few months and their lives seem unaffected by the changes in and additions to the State laws. The legislators, themselves, have been greatly affected. For many, it will be their last session. All of the House members and one-half of the Senators must face re-election before the 72nd General Assembly convenes in January 1961.

This is my biennial farewell to a series which I hope has been as informative to read, as it has been helpful and interesting to compose.

Governor Signs Six New Bills

Among the bills passed by the General Assembly and signed into law by Governor William G. Stratton last week were:

House Bill 48 raises the number of inhabitants required to incorporate a village from 100 to 400. It changes the number of inhabitants from 300 to 500 and modifies the procedure for the incorporation of part of a village or an incorporated town as a village. Bill becomes law January 1, 1960.

HOUSE BILL 286 permits a disabled veteran of World War I who is receiving compensation from the Veterans Administration for total service-connected disability to apply to the secretary of state for the registration of one motor vehicle without payment of the registration fee. Bill becomes law July 1.

House Bill 437 provides that the owner of cattle may obtain a retest for brucellosis, at his own expense, with approval of the state Department of Agriculture. Retest must be made by an accredited veterinarian within 15 days of the original testing. Results are final. Bill becomes law July 1.

House Bill 483 amends the School Code to provide that teachers may be granted sabbatical leaves of absence with full or partial salary, in accordance with the rules of the school board. Bill becomes law July 1.

House bills 870 and 871, companion measures, exclude the value of trade-ins from the definition of selling price in the Use and Sales Tax Acts. Effects of new law would be that if a person bought a new car and traded in another, for which he received a trade-in allowance, sales tax would only be charged on cash balance. At present it is charged on the entire transaction. Bill becomes law July 1.

LIKE SUN, ALERTNESS DOWN

Physical and mental energy reach its lowest ebb after dark. The Institute for Safer Living says that fatigue is a contributing factor in a large number of nighttime accidents. Vacationists who must drive at night should keep windshield and windows clean and travel at a reduced speed which permits stopping well within the range of headlight beams.

DEATH NOTICES

MARGARET E. CANODE

Margaret E. Canode, 92, Oregon, Ill., died Saturday June 20, at Zion Nursing Home after a lingering illness. Born Feb. 7, 1867, at Polo, Ill., she lived in Oregon and vicinity all her life.

She was a member of the Church of God at Oregon. She and her late husband, William, operated a farm near Oregon until his retirement when they moved into the Village of Oregon.

Her husband died April 12, 1934. She is survived by one son, Ralph Canode of Antioch; two daughters, Mrs. Bernice Sittler, (L. V.) 1086 Victoria St. and Mrs. Mabel (Lelos) Andrew, Oregon; five grandchildren and 15 great grandchildren. Services were held at the Farrell Funeral Home, Oregon, Ill. Pastor Paul Johnson of Oregon, officiated. Burial was in Riverview Cemetery, Oregon.

ERNEST BEGER

Ernest Beget, 74, of Loon Lake, died Thursday, June 18, after a two months illness.

Born August 17, 1884, in Kmhahlen, Saxony, Germany, he came to America in 1910 from Bremen, Germany, and moved to Loon Lake in 1946. He was a member of Faith Evangelical Church.

He was preceded in death by his wife, Alma, in 1955, and is survived by three sons, Otto of Antioch, Siegfried of Crystal Lake and Herbert of Lake Villa; four daughters, Mrs. Myrtle Baumann and Mrs. Hilda Taylor, both of Elgin, Mrs. Eleanor Schutz, Marshfield, Wis., and Mrs. Vera Secor of Union, Ill.; two brothers, Otto of Kankakee and Herman of Germany, and 22 grandchildren.

Services were held Saturday at Strang's Funeral Home, Antioch, with the Rev. R. P. Otto of Faith Evangelical Lutheran Church officiating. Burial was in McHenry County Memorial Park, Woodstock.

WEBSTER M. RILEY

Webster M. Riley, 62, of 1617 West Highland, Chicago, died Wednesday, June 17, at the VA Research Hospital. He had been ill since January.

He was born June 23, 1896, in Chicago and lived there all his life. He was employed at Marshall Field & Co. as a manager of infants' wear and was a member of the American Legion.

He was preceded in death by his wife in September, 1953.

Survivors include one daughter, Mary E. Wells, Petite Lake; two sisters, Mrs. Lillian Ingalls, Lake Geneva, and Grace Riley, Chicago; and two grandchildren. Services were held Saturday at Strang's Funeral Home with the Rev. Edmund Hood of St. Ignace's Episcopal Church officiating.

Business and You

Can You Spare A Dime? Then Become A Capitalist

Want to be a capitalist . . . ? Well brother, can you spare a dime?

That's about all it takes today. Working men and women throughout the nation are buying shares of American industry through the remarkable investment club movement. The New York Stock Exchange says there are more than 10,000 of these clubs in operation and that they have more than 100,000 members.

Basically, an investment club is nothing more than an informal association of a dozen or so congenial people who put their spare cash into a pool for buying stocks.

These pennyante capitalists meet periodically to discuss investment opportunities — and they seem to have a lot of fun along with it.

Some clubs are outgrowths of bridge and poker parties, even golf foursomes. One, the Katahdin Investors Club, is composed of hunting companions who use their lodge in Maine as a meeting place. Hundreds have sprung up in hamlets where the biggest business is the general store.

THE IDEA ITSELF is not new — the first known investment club appeared in Texas 60 years ago — but the boom didn't begin until after World War II with the big bull market. Folks who didn't have the money to go it alone formed investment pools to cash in on the rise of stock values.

There is no "typical" club. They differ in size, financial standing, even objectives. Most, however, limit membership to about 15 people who contribute \$5 or \$10 a month — though one club of wealthy Texans has dues of \$1,000 a month.

Many of the lessons learned by the venturesome pioneers in this movement are free for the asking from the National Association of Investment Clubs, which says any new group should keep these four principles in mind:

1. Invest a set sum each month in common stocks, regardless of whether prices are rising or falling.
2. Buy growth stocks — shares in companies whose sales seem to be rising at the rate of 10 per cent or more each year.
3. Reinvest all dividends and capital gains immediately.
4. Invest in different fields to protect the group's investment by having a diversified portfolio of stocks.
5. Be sure to have the advice of an investment broker — even if it's by correspondence. And try to have an attorney in your club because there are certain state regulations to be met.

A RECENT STUDY by the New York Stock Exchange shows that members of investment clubs generally are average income earners seeking profit without too much individual risk. In New York, for instance, a group of policemen formed the Finest Investment Club in hopes of supplementing their retirement pensions.

There's even a precedent for a club of women only — the Women's Investment Trust, which is restricted to feminine employees of the Detroit Edison Company.

One of those who has worked most vigorously to promote the co-operative concept is G. Keith Funston, energetic president of the New York Stock Exchange. His idea is that "a nation of shareowners is our strongest defense against the foreigners that would sap our vitality and eventually turn us over to the evil enemy we know as Communism."

Mr. Funston adds a word of caution for neophytes: Refrain from expecting too much. And, particularly, don't expect a new club to show immediate profits. There probably will be little, if any, profit the first year when expenses such as brokerage commissions are heavy in relation to the investment pool.

Be prepared, also, for losses from time to time, especially while you're learning. Remember that stock prices move down as well as up.

U. I. RESEARCH

GRANTS TOTAL \$2,127,760

Twenty-five research studies in education currently under way at University of Illinois are receiving \$2,127,760 in financial support from non-university agencies including state, federal, and private.

Studies cover periods ranging from two months to five years. Individual grants run from less than \$2,000 to nearly \$400,000.

State Lions Name New District I-F Governor

At the annual Illinois convention of Lions International held at French lick, Indiana, Bert D. Greene of Highland Park was elected District Governor of District I F. The outgoing Governor is Robert L. Graham of Skokie who was the first district governor of Lions International I F to ever have been chosen as Chairman of the Illinois Convention as well as Chairman of the Council of District Governors for the entire state of Illinois.

Losing in the hotly contested running for district governor was Jack Miller of Deerfield, who came close to a tie with 83 delegates from 39 Lions Clubs voting.

GREENE HAS been a member of the Highland Park Lions Club since 1944 and has the added distinction of earning 100 per cent attendance pins every year since joining. He was president of the Highland Park Club during the years of 1950 and 1951. He has taught at the Elm Place School in Highland Park since 1930 and in addition to being a member of the American Legion belongs to the Illinois Educational Association as well as the National Education Association. Mr. Greene resides at 960 Harvard Court.

Robert L. Graham, retiring district Governor, at a cabinet meeting held at Wheeling, told his deputy district governors and zone chairmen that this was probably the most successful and the largest in attendance of any Illinois Lions convention since 1947.

Deputy District Governors from I F attending the convention included: Milton H. Tuttle, Des Plaines; George Abernathy, Mundelein. Zone chairmen who attended were John P. Walsh, Wilmette; Charles Nelson, Kenilworth; Earle Watson, Fox Lake; Justin B. Snyder, Lake Bluff; Walter J. Schroeder, Mount Prospect; S. A. Harris, Winthrop Harbor.

People 'On The Move' Are Doing It Wrong: Study

Are you a "trunk loader," a "car top carrier," or a "trailer hitcher"? If so, you're one of millions of American motorists on the move this summer who, like the nomads of old, are carrying all manner of personal possessions with you.

The big question is: "Are you carrying your possessions in a safe manner, without danger to yourself and to other traffic on the road?"

STUDIES MADE BY the Institute for Safer Living indicate a sharp upward trend in the quantity and variety of items being transported on the country's busy highways. Two leading reasons are the exploding popularity of boating, and expanding trailer rental service.

A spot check by Institute safety experts on a typical four-lane highway during a normal day's traveling time revealed that nearly 35 per cent of all vehicles carrying outside loads were operating in an unsafe manner.

THE PRINCIPAL TRAILER hazards noted were: Lack of reflectors and stop lights for night travel, lack of warning flags on protruding loads, and lack of safety chains. Trailers carrying boats with tilted outboard trailers can be extremely dangerous on throughways where rear-end collisions are frequent—the Institute warns—They should be properly protected.

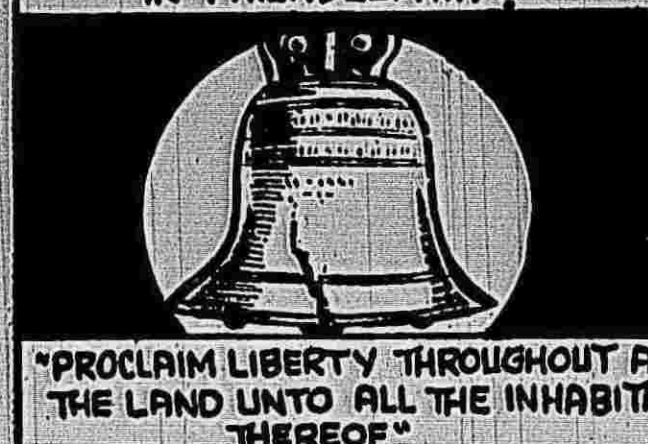

Roof carriers may be used for safely transporting many suitable items such as luggage, skis, canoe paddles, even light boats when properly anchored. Institute engineers, however, observed them being used to hold such items as bedsteads, stoves, refrigerators, heavy furniture, bicycles, bulky lumber, and farm or garden implements; in fact, almost anything that could be lifted to the car top.

Top carriers moored to drip rails can stand only so much stress and strain, the engineers warn. The force of air pressure against the front of a car traveling at 60 miles per hour with no wind is about 200 pounds. This pressure increases at the rate of about 40 pounds for each two feet by three feet of top load. This extra force can affect steering, is particularly hazardous when the car is caught in a strong cross wind.

The Antioch News and Antioch Theatre invite Charles R. Meierdick, Rt. 4, 217 Seventh Ave., Antioch, and one to attend Sunday, Monday or Tuesday's show on June 28, 29, or 30, at the Antioch Theatre.

TELL ME

WHAT IS THE INSCRIPTION ON THE FAMOUS LIBERTY BELL IN PHILADELPHIA?

"PROCLAIM LIBERTY THROUGHOUT ALL THE LAND UNTO ALL THE INHABITANTS THEREOF"

HOW DID THE WORD "BEDLAM" ORIGINATE?

"BEDLAM" IS A CORRUPTION OF BETHLEHEM, THE NAME OF A LONDON STRUCTURE THAT WAS CONVERTED INTO LUNATIC HOSPITAL. INMATES WERE POORLY TREATED...HENCE "BEDLAM" SIGNIFIED ANY SCENE OF WILD CONFUSION!

IS THERE SUCH A FRUIT AS THE ADAM'S APPLE?

YES, THE ADAM'S APPLE IS AN ACTUAL FRUIT... BUT IT IS NOT AN APPLE... BUT A VARIETY OF LIME!

HOW LONG DID IT TAKE TO BUILD THE GREAT PYRAMID OF EGYPT?

ACCORDING TO HERODOTUS, CHEOPS EMPLOYED 100,000 MEN FOR 20 YEARS TO CONSTRUCT THIS PYRAMID... WHICH COVERS A SPACE OF 13 ACRES... REACHING A HEIGHT OF 480 FEET!

'She' Does Damage

It's the female mosquito that makes the noise and does the damage; it is she, not the male, who "sings" and "bites." She's a hardy female, too, for she lives through the winter hidden in cellars, attics or outbuildings—any place that is moist and protected from the wind.

In spring she moves outdoors to breed in sheltered, stagnant water near the house. Small pools, tin cans, catch basins, cesspools and water barrels are her favorite breeding grounds.

BUG KILLING experts say mosquito prevention is the most effective means of control. They recommend that you check around your house and neighborhood to make sure that land is properly drained, graded and filled to eliminate potential breeding areas.

They predict that, even with these precautions, some mosquitoes will develop into adulthood during the summer. To reduce this adult mosquito population, experts recommend a push-button aerosol insecticide formulated for both indoor and outdoor spraying.

Used indoors, it will control mosquitoes and other common household pests. Outdoors it can be sprayed safely on plants and shrubs to control mosquitoes and damaging garden insects.

... Forgetting those things which are behind and reaching forth unto those things which are before, I press forward... (Philippians 3:13.)

Maybe a leopard can't change its spots, but a man can change his ways—his whole life—for the better. Renouncing the bad of the past, he can strive for and gain the good through earnest desire and prayer. Through God's mercy he can begin a clean, new life.

Millburn Maidens Demonstration Is Tuesday Nite

By Mrs. Frank Edwards
Millburn Correspondent

The Millburn Maidens 4-H Home Economics Club will hold its Achievement program Tuesday, June 30 at 8 p.m. at Millburn Congregational Church.

Refreshments will be served following a short program and demonstrations by the members. The leaders are Mrs. Homer White and Mrs. William Paulsen. An invitation is extended to the community.

The ninth meeting of the Millburn Maidens' 4-H Club was Tuesday afternoon, June 16, at the Millburn Congregational Church.

A demonstration on How to Make a Cherry Pie" was given by Margaret Paulsen. They practiced for "Share the Fun" Festival.

The Salvation Army Doughnut Day held in Millburn recently netted \$46.50. Their quota set for Millburn was \$25. Beside the woman taggers mentioned in last week's column the following young ladies helped: Sandy Stephens, Margaret and Mary Sue Paulsen, Sandy Seales, Alice Bromstad, Jane Bonner, Cheryl and Patty Denman. Mrs. William Paulsen, chairman, wishes to thank all who tagged and contributed.

Miss Barbara Young, daughter of Mr. and Mrs. Kenneth Young, returned home Sunday after spending a week at the Eastern Illinois University with the Symphonic Chorus at Charleston, Ill.

Mr. and Mrs. Frank Hauser with Mr. and Mrs. Raymond Hauser and family attended the Hauser reunion at the Clarence White home in Kenosha, Wis., Sunday.

Mrs. Howard Petty and three daughters of Urbana, Ill., spent from Monday until Thursday with her parents, Mr. and Mrs. Leslie Bonner.

Regular services at Millburn Congregational Church June 28: Sunday School and Church services at 10 a. m.

Missionary Sunday was observed

at the regular services Sunday morning. Guests were Mrs. Virginia Matson and her missionary friend, Mrs. Enid Forsberg.

Baptismal services were held for David Peter Zitkus, son of Mr. and Mrs. Lester Zitkus and Darlene Yolanda Kraemer, daughter of Mr. and Mrs. James Kraemer.

Twenty-eight members were present at the Couples Club last Tuesday evening at Millburn Congregational Church. The club presented Rev. and Mrs. L. H. Messersmith with a planter in observance of their 31st wedding anniversary. Mr. and Mrs. William Jones and Mr. and Mrs. H. Kenimer were hosts.

The Study Group will meet this (Thursday) morning at 9 a. m. at the home of Mrs. Bert Doolittle at Hickory Corners.

Mr. and Mrs. Raymond Hauser and family of Menominee, Mich., spent from Saturday until Tuesday at the home of Mrs. Harley Clark and Mr. and Mrs. Frank Hauser.

Mr. and Mrs. Garrett Trout spent Sunday with Mrs. John Kelly who is a patient at St. Joseph's Hospital in Joliet, Ill.

Mr. and Mrs. Andrew Carlson and family of Gurnee were callers at the Herbert Graham home Sunday evening.

Mrs. Lyman Bonner and daughters, Nancy and Kathy, were supper guests at the home of her parents, Mr. and Mrs. Ellis Gott of Waukegan.

Mr. and Mrs. Walter Fontaine and son of Gurnee spent Sunday evening at the home of Mrs. Harley Clark. Harold Young left Friday with Mr. and Mrs. John Augsberger and son, Gayle, of Antioch, for a two weeks trip to Denver, Colo., and Salt Lake City, Utah.

Mr. and Mrs. Leslie Bonner, Mrs. Howard Petty and daughters and Nancy and Kathie Bonner were supper guests at the home of Mr. and Mrs. Vernon Stahnke of Arlington Heights on Wednesday evening.

Mrs. L. H. Messersmith left Sunday afternoon for Monmouth, Ill., where she will attend the Phonetic Work Shop.

Mrs. Jacob Kaluf was a caller at the home of Mrs. Albert Smith of Antioch on Friday afternoon.

Rev. and Mrs. L. H. Messersmith were dinner guests of Mr. and Mrs. Al Swenson Sunday.

Officials Issue Call For Careful Boating

News of Lakesports

Agnes and Carl Gibson

Carl Gibsons, Bowling Family, Leave Here To Run Ohio Motel

Leaving Antioch about July 1 for Vanalia, Ohio, will be Mr. and Mrs. Carl Gibson and family, former owners of the bowling alley here. They have purchased a 48 unit motel near several airports near Dayton.

The Gibsons came to Antioch in 1945 as owner and operator of the bowling lanes which then were where the Moose Home is now on Main St. In 1954 he joined the corporation which built the present Antioch Bowl on Rt. 173.

GIBSON MANAGED the bowling lanes until it was sold last fall to Jack Sampayo and Mike Scham-

berger and he stayed through the first winter to aid the new owners with the operation of the lanes. Mrs. Gibson also has worked in the Antioch Bowl.

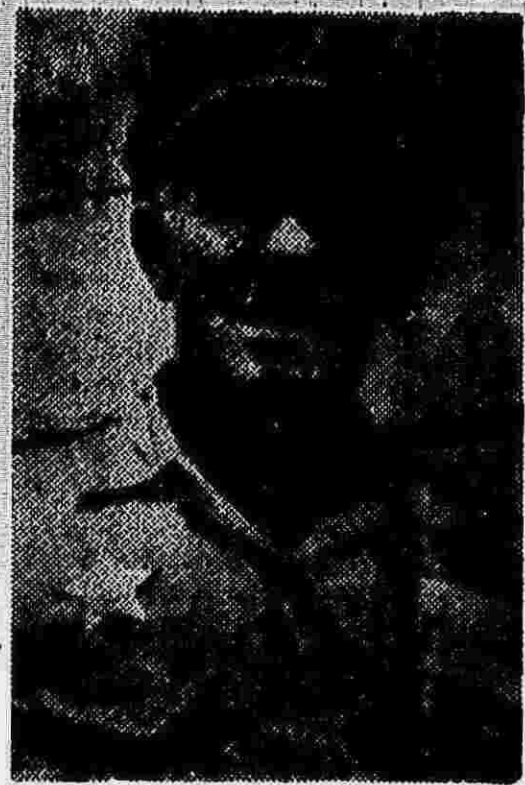

The Gibsons, with their three children Jim, Mary and Bill, expect to be moved to the Ohio city soon after July 11. They took possession of the Circle View Motel on June 1.

The motel has a restaurant in connection and it is completely air conditioned and centrally heated. Its name has been changed to the Airport Motel and it is located at the intersection of US Highways 25 and 40.

The most boats ever will be trying the waters of the Chain O' Lakes this year but those conscious of boat safety swear that they are all on the lakes every weekend.

At present there are 18,000 boats of all kinds using the lakes, says Ernie Wagner, the sheriff's boat deputy. That means about 18,000 boat operators who get careless, Wagner adds.

But the lakes are for everyone's pleasure and on the eve of National Boat Safety Week, June 27-July 5, Wagner issued a call for careful operation and he also gave

Deputy Ernie Wagner

a warning that he will issue tickets to operators who don't comply.

LAW THAT GOVERN boat operation have not kept up with boat ownership, officials say. The Illinois statutes were originally passed in 1941 and revisions were made in 1947—none since. However, there are some bills before the current session of the Illinois legislature but have not become law yet.

As the law stands now, it is inadequate and ambiguous, the officials say.

Some of the major points of difficulty Wagner says, are drunken boat drivers and plain careless drivers. It is easy to make an arrest for violation of the first charge—Wagner made the first one of the season on the weekend.

BUT THE LATTER charge is much harder to make stick. This is what the law says: "No person shall operate a boat with willful disregard for persons or property... at speeds faster on water than is reasonable." The problem, Wagner notes, is merely a matter of judgment on the part of the arresting officer. And that doesn't cover the case of the foolish youngsters who sit on the back seats guiding with their feet.

"I'm going to ticket any persons who drive that way this year," he warned. Reckless drivers can be fined as much as \$2,000 or given a prison term of 1 year—or both.

Echoing his deputy's remarks is Lake County Sheriff Norris Froelich

who is fearful of the growing boating craze. "I can see the time coming when the Chain will be a boater's playground," he says.

BOATS WILL DRIVE the fishermen and the swimmers off the lakes, he predicts. Some are doing it now, he says.

On a constant enforcement job through the summer is Wagner's patrol which makes a complete tour of the chain an average of 3 times daily. He is assisted by the volunteer Chain O' Lakes Pater Patrol supported by the Resort Owners' Assn., and the sheriff's air patrol. Their job is not to give out tickets so much as give out warnings.

The number of violations if given tickets "would take more ticket books than I could carry," Wagner says.

Proof of his aim of not giving tickets wantonly is Wagner's record

of only four last year. But he pledged he would raise that figure if need be but he would rather educate than prosecute. With every warning he gives, the deputy also gives a copy of the coast guard's boat regulation guide which covers every situation.

NOT ALL THE violations come from the public, the officials say. One resort owner admitted that people in that business also are guilty of contributing to the lawbreaking. One last weekend rented a 14-foot aluminum boat with a 15 horsepower motor to a 12-year old boy. Wagner stopped him on the water.

Besides the rules listed in the coast guard manual—which Wagner will give out gladly—he suggests several other basic guides be followed.

They include: think before you do anything; always pass to the right; don't overload any boat; and don't clown while operating.

He suggests that boats be licensed as well as drivers so that officers will have more authority over operations.

But until new laws can be passed and people educated, Wagner, Froelich, Rescue Squads, and resort owners who see many dead bodies lifted out of the waters, are crossing their fingers and hoping that this year, and especially this week, will not see any new accident tolls.

Boating remains a great sport if you are careful.

Widow Maker Win Streak Ends at 42

Swede Stromstedt, driving the Widow Maker II, ended his winning streak at 42 consecutive heats Saturday as he jumped the gun and was disqualified at a two-day regatta at Volo.

Lady Luck turned her back on him again Sunday and he flipped over on one of the turns. According to Stromstedt the boat was not damaged seriously but the engine was a total loss.

Stromstedt said the engine was still running when the boat went over and the crankshaft and all eight rods were bent. "I went into the turn a little too fast," Stromstedt said, "and was thrown to the opposite side of the boat. In trying to get back I missed the wheel completely and over the seat."

STROMSTEDT SAID his owners are building up another engine and will be ready by July 4th for a regatta in Michigan.

Les Brown, owner and driver of the Long Gone, also had his troubles Sunday as a fuel log came off his engine and sprayed gasoline on the hot engine causing a fire.

The fire was put out right away and no damage was done. Brown and his rider both jumped into the water at the outbreak of the fire. After the flames were out they climbed back in the boat and continued part of the race but were forced to drop out because of the fuel leakage.

THE RACES WERE held on Sullivan Lake at Volo, at the Wing and Fin Club. A large crowd of excited fans witnessed two days of racing that included all classes of stock outboard—both runabout and hydroplane.

The Rodent, driven by Norm Porter, took first place for the day in the 135 cu. ft. in. hydroplane class with Frank Rickie in the See Me Go running second.

Lou Balas in his first race this season came in second driving his boat, the Moaner.

IT WAS THE biggest turnout for the ski class so far this season with eight boats. With this many boats and running on such a short course they were forced to run elimination heats. The two winning boats from the first two heats each day raced in a third heat to determine victor for the day.

Eddie Zender, Jr., won top points on Saturday behind the wheel of the Tex. John Moulis came in second on points driving the Hustler.

It was a different story Sunday as Ron Larson took the day honors in his Miss Quickie. Moulis repeated his performance of the day before by herding the Hustler into second place. Jud Kelly stayed right side up and took third.

The next scheduled home race for members of the Chain O' Lakes Boat Club will be July 12 at the Waltonian Hotel on Fox Lake.

FL Hillsmen Not Sports To Softball Loop Hurlers

Pitchers in the Lake-Keno Softball League walk back to the bench after every inning mulling "they can't field, but they sure can hit."

The sad hurlers are grumbling about the treatment they get from the surprising Fox Lake Hills Sportsmen who last week moved to the top of the league with three upset wins.

On Tuesday, the Hillsmen clashed with Lake Villa and put on a hitting spree which may not be equalled this year. Scoring in every inning, the Fox Lakers smashed to a 27-14 win. They combined 27 hits including Zyskowski's first home run, with 10 Lake Villa miscues, for the lop-sided win.

The Hillsmen continued to hit on Thursday to topple Jim's Service from the top rung in the 9-team loop. Votova got his third home run of the young season in leading his squad to a 13-12 win. For the losers, Jim Brodie and Srch each had four base blows also but to no avail. Each team got 17 hits.

Thom-Eric Construction moved up in the standings also in gaining its first victory with a 12-7 pasting of Bussies Tavern. L. Reichle hit his first homer of the season for the winners.

The other game highlights: Golfview power slugger P. Vos finally got his first home run in 13 at bats as he led his mates to a 17-6 win over hapless Lake Villa on Thursday.

Jermakowicz for the Chiefs AC also got his first home run but it was to no avail as Jim's Service toppled the Chiefs 15-14 on Wednesday.

The week's linescorers:

Cubs (Serv. Center)	0	3	3 1/2

The wedding ring is worn on the third finger of the left hand because of an old belief that a vein runs directly from this finger to the heart.

Sox Remain Unbeaten In Local Little League Play

The little Sox in the Antioch Little League continued to blast all opposition last week as they gained the fourth victory without a defeat.

The Sox dumped the Dodgers on Thursday in their only outing of the week.

INTO THE THIRD week of play, a bunching in the middle finds four squads vieing for a place in the sun. Only team to move up during the week were the Yanks who added a win over the Tigers and a loss to the Giants.

The Cubs did not play last week

but went out twice this week in search of their first victory of the year.

ALL TEAMS ARE more settled down now and the boys are more sure of themselves, says Bill Lang, president of the Little League. "The teams are improving with each game," he added.

Lang predicts that the league will tighten even more soon and the Sox will be beaten.

Minor league play last Monday brought out 90 boys for small-fry baseball and a large crowd of fathers also attended to help coach the teams. The minor league play is under the direction of Bernie Dost.

Open Bids On 900-Home Bong AF Base Community

To Complete Town
Costing \$16 Million
Within Two Years

A master TV antenna system for the community, ceramic tile floors and wainscot and automatic clothes washers and dryers in every home may be features of the 900-home Bong Air Force Base community which will be completed in 1961.

Those features were some of the alternate additives to the basic low bid of \$14,270,000 for the housing project in the bid opening held Thursday in Burlington. The additional alternate bid totaled \$2,300,000.

THE APPARENT low bid was submitted by the Gersten Construction Co. of Beverly Hills, Calif., and a decision on acceptance and contract award is expected within 30

days. Eight other bids and alternatives were received.

The final qualification and contract award will come directly from Air Force Secretary James H. Douglas after FHA in Milwaukee evaluates the proposals, says Col. Charles Lancaster, commander of the base.

An estimated 200 persons attended the bid opening on the huge housing project for the base in the Waller School in Burlington last Thursday. The 900 homes will be built under government contract primarily to house officers and families and upper enlisted men and families who will man the big airbase. The on base town will be about the size of Antioch and it will be located just 14 miles north of the village.

OTHER MARRIED enlisted men and their families will be housed mostly in communities surrounding the base. On-base barracks will house single airmen.

A high bid of \$26,001,750 included

an additive alternate of \$6,013,445 was received in the bid opening from Oronning Engineering Corp., Milwaukee. Other bidders, besides the Gersten Co., included Sheriden, Inc. of Pasadena, Calif., and Ian Murray Corp. of Santa Ana, Calif., which combined to submit a low basic bid of \$14,088,000, but the alternate brought the total bid to \$17,443,000.

Call for Bids on 50-Bed Bong Hospital

Bids on a 50-bed hospital for Bong Air Force Base will be opened by army engineers on July 27.

The hospital proposals call for a structure of one story, with 51,000 square feet of floor space. It is to be of brick and concrete construction.

The contract provisions will call for a construction period of 470 calendar days. An estimated 100 additional men will be employed in the hospital construction, the engineer says.

CLEARING UP SOME paper work in their office at Bong Air Force Base are Col. Charles Lancaster, commander, and M/Sgt. John W. Jahnke. Most of their work now is paper work as they prepare to get the base constructed and operational. Thursday they attended and presided at a bid opening for a 900-home community which will be constructed on the base for officers and upper enlisted men and their families. The development will cost more than \$16,000,000.

Race Driver Asks Motorists to Stay Alert Always

Narrow escapes are plentiful in the racing business. Race drivers expect them, and they're prepared for them.

That's why Lee Wallard, winner of the Indianapolis 500-mile race in 1951, is always astonished, when, as a motorist, he sees so many highway accidents.

FOR THE LAST few years," he says, "I've been pretty busy talking to servicemen on a highway safety program. The shock I feel—and I know every serviceman must feel—upon seeing an accident, should make us all stop and reconsider some of our own careless driving habits.

"One thing we should always remember is to remain alert, not only on our busy highways, but on the tree-lined residential streets, as well. It's hard to believe that accidents occur in such peaceful settings, but they do. Children play in yards only a few feet away from fast rolling cars. The street may appear quiet, but don't be fooled. The unexpected can—and often does—happen. That's why we must remain alert behind the wheel—no matter where we are driving.

"Always be aware of the fact that you might have to stop in a matter of seconds. You may have a car equipped with the best brakes on the road. You may even say your car can stop on a dime. But at 60 miles an hour that dime can become as big as a parade ground. Never underestimate the power of your car. At the same time, don't even overestimate your power behind the wheel.

"Remain alert and you'll be a better—and safer—motorist."

If all the bank checks cashed in the United States last year were stacked into one pile, they would stretch 900 miles into outer space. Total value is said to be about \$2.5 trillion or over 30 times our national budget.

Chevy
Gives You
Smarter Style
Today...

Don't take it from us—take it from independent experts and from facts and figures that are now a matter of record. POPULAR SCIENCE sums up Chevy's unmistakably modern style this way: "The fact is, in its price class Chevy establishes a new high in daring styling..." This is one more reason your new Chevrolet will bring a higher allowance at trade-in time, as Chevy has over the years. A look at last year's used car prices* shows Chevrolet averaged up to \$128 more than comparable models of the other leading low-priced two.

*Guide Book figures of the National Automobile Dealers Assn.

PLUS 5 MORE BIG BESTS OVER ANY OTHER CAR IN CHEVROLET'S FIELD!

Best Brakes. Chevy showed the best brakes of the leading low-priced three in repeated highway speed stopping tests conducted by NASCAR.* No wonder. Chevy's brakes, built for up to two-thirds longer lining life, are the biggest in its field.

*National Association for Stock Car Advancement and Research.

Best Engine. Every motor magazine has given Chevy's passenger car and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price."

Best Economy. No doubt about this: a pair of Chevrolet sixes came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car.

Best Room. Dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room is up to 5.9 inches wider than comparable cars.

Best Ride. No doubt about this. MOTOR TREND magazine sums it up this way: "... the smoothest, most quiet, softest riding car in its price class."

NO WONDER MORE PEOPLE
ARE BUYING CHEVROLETS IN
'59 THAN ANY OTHER CAR!

Special Rites To Open Scouts' Camp In Wisconsin

Special dedication ceremonies marking completion of the enlarged and improved camping facility of the North Shore Area Boy Scout Council, will take place Saturday, July 4, at Camp Ma-Ka-Ja-Wan near Antigo, Wis.

Launched 30 years ago with an enrollment of 350 boys, the expanded camp this year will accommodate over 1,400 youths on 700 acres of timber land that encompasses all of Spring Lake.

MORE THAN 200 scouts attending camp for the first of four two-week periods, will participate in the dedication ceremonies, as will some 250 visitors composed of Council members, leaders and other scouts and their families, and donors of memorial gifts to the camp expansion fund.

Following the flag raising ceremony, the welcome will be given by the program chairman, Carl Vorreiter, of Wilmette.

The program will include placing of bronze plaques honoring donors and a tour of the camp's facilities.

One of the largest of its type in the Middle West, Camp Ma-Ka-Ja-Wan consists of 16 separate troop camp sites, five of which have cabin accommodations, while the others have two-boy tents with platforms.

Each of two separate program areas has its own handcraft, scout-craft, quartermaster, nature, trading post, administration and dining hall buildings, and complete water front facility. The main health lodge, with a doctor in attendance, serves both areas, as does a new camp chapel which provides facilities for Catholic, Protestant, Jewish, and Christian Science services. For the first time a chaplain will serve as a member of the camp staff.

THE CAMP IS located in the Northern Wisconsin forest area, 275 miles from the North Shore. Equipment includes rifle and archery ranges, rowboats, and canoes. In addition to these activities, scouts participate in Merit Badge instruction, adventure hikes, crafts, nature study and special events—a program which begins each day at 7:25 a. m. and runs through 9:30 in the evening.

A total of 75 staff members supervise the camp's operation in a program designed to help boys in the scouting and camping skills which lead to advancement in rank.

Attending the camp this year is Tom Allison, Jr., 14, of 512 Central Avenue, of Wilmette, of the troop sponsored by the Village Baptist Church. Thirty years ago his father, now an executive with Montgomery Ward & Co., attended the camp as a member of the same sponsored troop.

Antioch Keeps Shop Center Title in April

Antioch retail sales went down a little in April but the dip was statewide and the town kept its lead as shopping center of Western Lake County on a dollar basis.

According to figures released by the secretary of state, sales taxes collected in Antioch during April amounted to \$20,441.05 and the community's share returned to local funds was \$3,882.65 which represents approximately one-half per cent of retail sales.

A PROJECTION of the secretary's figures show the total of retail sales in Antioch for April was \$817,642.

Other communities' approximate retail sales were as follows: Grayslake, \$457,436; Fox Lake, \$655,834; Lake Villa, \$175,042; Lindenhurst,

\$11,126; Mill Creek, \$4,758; Spring Grove, \$41,406; Richmond, \$108,406 and Wauconda, \$401,304.

Also Round Lake, \$288,234; Round Lake Beach, \$143,588; Round Lake Park, \$139,182; and Mundelein \$661,120.

Communities topping a million in retail sales were Barrington, \$1,286,070; Libertyville, \$1,425,134; and Zion, \$1,053,916.

Antioch Man, Sgt. Edwards Takes Co. AF Recruiting

M/Sgt. Maurice L. Edwards, son of Mr. and Mrs. Warren M. Edwards, Antioch, has recently been assigned from the Strategic Air Command to Air Force recruiting duty for Lake County.

Operating out of the recruiting office at 325 Washington St., Waukegan, he will be responsible for the northern half of Lake County.

SGT. EDWARDS IS a veteran of 13 years military service, five of which were spent in the Army. He served a total of eight years in Germany and one year in Japan with the Eighth Army.

He attended Antioch Township High School prior to entering the military service. The sergeant is married to the former Virginia McWilliams, Ingleside, and they are residing on the West Shore Crooked Lake, Lake Villa.

Advices Motorists On Summer Car Care

Hot, dry summer weather is fine for family outings but it plays havoc with your car's finish and engine.

There is nothing more harmful than the sun's rays to an auto paint job. Regular maintenance can save back-breaking work later on. A good cleaning and wax coating will do more to protect the finish of your car than anything else. If this is done early, regular wipings and washings will keep the car looking good all summer.

James B. Lightburn of a research bureau also cautions motorists of excessive engine wear during dry period. Roads are dustier and the load on the oil and air filter is much heavier than at any other time of the year. Although automobile manufacturers recommend an oil filter change at 4,000 miles and an air filter change at least every ten thousand miles, it is wise to have your service station check these parts more regularly during the summer.

Attention to these minor maintenance recommendations might very well save costly repainting or engine overhaul later on, he says.

It won't be long now— MORE GAS HEAT is on the way for next winter

Shortages of gas for home heating in this area are finally coming to an end. Recent Federal and State approval of two new pipelines is an important step toward substantial increase in the supply available for next winter's heating season.

We, at Northern Illinois Gas Company, are very pleased that developments are taking place more rapidly than we anticipated a year or so ago. We know that many who seek this most desirable, low-cost fuel for heating will also be gratified.

Because, since 1946, the supply of gas has been limited, it has been necessary to restrict its use for heating to single family dwellings. Now it appears possible to make gas heating available to multi-unit dwell-

ings and to small businesses and industries in the area we serve.

If you wish to be eligible for a gas heat permit, it would be advantageous to make your request promptly. All installations must be authorized by our Company. Apply in writing (use the convenient coupon below) or visit our nearest office.

HIS SCHOLARSHIP in engineering is rewarded. Dennis Brezina of Antioch re-
ceives a check for high standing in math, marine and electrical engineering from
Rear Admiral William A. Dolan, Jr., at graduation from the Naval Academy this
month.

Brezina Receives Check For High Engineer Marks

Besides his diploma and a com-
mission in the navy, Dennis W.
Brezina, son of Mrs. Bessie Boyd,
258 Park Ave., Antioch, received a
\$100 check from the American So-
ciety of Naval Engineers at gradu-
ation time at the Naval Academy
at Annapolis, Md.
Midshipman Brezina, 22, gradu-
ated fourth in a class of 800 and re-
ceived the prize for the highest
standing in the combined courses in
mathematics, marine engineering

120 Attend FL Baptist Kids' Recitations

Vacation Bible School came to an
impressive climax Sunday night as
120 persons came to the demon-
stration program at the Fox Lake Bat-
tist Church.

Parents of the children listened
in a packed room on a hot night as
the children recited the lessons and
verses they had learned, and sang
many new hymns.

Mrs. Ben Mattson from Columbia
Bay Road in rural Lake Villa di-
rected the school with 10 workers.
GIFT WRAPPED handkerchiefs
were presented to the fathers pre-
sent at the morning worship service
on Father's Day.

The annual Sunday School picnic
at Fox River Park was a gala event
as parents and children enjoyed a
program of food, fun and fellowship
Saturday, June 20.

The Women's Missionary Society
meeting will be in the form of a
picnic, Thursday, June 25, at 10:30
a.m. at the Fox River Park in Ingle-
side. All women are wel-
come. Mrs. Robert Dridla may be
reached at J. Justice 7-1491.

Second Music Theatre Offering Begins June 29

Movie and stage star John Carra-
dine stars in the Lerner and Loewe
musical "Paint Your Wagon" fol-
lowing "Show Boat" starring Allan
Jones and Bert Wheeler, at Music
Theatre in Highland Park.

"Show Boat" ends its run June 28
and "Paint Your Wagon" opens
June 29 for a two-week run.

"Paint Your Wagon" opened on
Broadway in November of 1951 with
a cast headed by Eddie Dowling,
Ann Crowley and Scott Merrill. It
is the story of the Gold Rush from
the beginning of a mining camp
through its growth into a boom
town and through its decline when
the lode peters out, until it becomes
a ghost town.

SODA-LIGHTFULLY REFRESHING

Your skin takes a beating in summer. It has all sorts of
irritations to contend with. You over-sun and it turns red and
sore. You subject it to constant doses of sun, sand, salt water
or the purifying chemicals used in pools and it gets dry and
flaky. You meander through the woods, oblivious to the poison
ivy, oak or sumac along the way and down it comes with an
itch. It's a target for insect attacks, and depending on the
modus operandi of the biting bug, it's in for a sting or an itch.
A friend of long standing to skin in dire distress is baking
soda. Add soda to your bath... a half pound of it per tepid,
tubful of water for dryness or sunburn, and if you just relax
in the tub, read, listen to the radio or have a cooling drink
and avoid the scrub brush or wash cloth, there's blessed relief
in store. Extra dividend... you come clean, for soda is mildly
detergent. If you'll keep the baking soda in an apothecary jar
in the bathroom with a sachet tucked in its midst, the bath
water is pleasantly scented.
Apply baking soda in paste form to the other skin afflic-
tions... poison ivy, oak and sumac and various insect bites
... and the itch or sting subsides.

Channel Lake Scouts Honor Scoutmaster

Ray Atwood, scoutmaster of the Channel Lake Boy Scouts, Troop 86, was surprised by an "appreciation party" given for him by his Scouts after the meeting on June 16.

The boys presented him with a gift certificate from Barnstable and Brogan.

Ray has served the boys many years as scoutmaster. He had been scoutmaster here for some time before his army service interrupted his work.

Mr. and Mrs. Paul Zeien and children, Channel Lake Bluffs, returned on June 19 from a two week vacation in Florida. While there they visited Paul Zeien, Sr., of Fort Lauderdale, Fla. The senior Mr. Zeien lived in this community before moving to Ft. Lauderdale 23 years ago.

Marge Nowicki and David Mitchell are busy with plans for their coming marriage on July 18. Marge graduated from Antioch High School this June. Dave was a member of the class of '58.

Theresa Runyard, small daughter of John and Margaret Runyard, was hospitalized recently after drinking gasoline. Terry is home and recovered.

4 From Antioch In Wisconsin's Jr. Music Clinic

Four Antioch students were among the 390 boys and girls who participated in the second annual junior high music clinic held at the University of Wisconsin last week.

The students taking part were June Behrens, Rt. 2; Jane Edwards, 600 Parkway; Carol M. Wiegart, Ra. 4 and Harleen Young, 701 N. Main.

THE CLINIC, sponsored by the UW Summer Sessions, School of Music, and the UW Extension Division department of music, is designed to give the students intensive training in band, orchestra, and chorus technique. In addition, students have sectional rehearsals, individual instrumental or vocal lessons, and lecture-discussion sessions in the fundamentals and literature of music.

The roster of students attending the clinic included 221 eighth graders and 187 seventh graders. Thirty-three of the students came from Illinois, Iowa, Michigan, Minnesota, and New York—the rest from Wisconsin communities. Each student was recommended as an outstanding junior high school musician by his school principal and music teacher—a prerequisite to enrollment in the clinic, which is one of the many short courses and conferences conducted annually by the State University as educational public services for all citizens.

LV Firemen Beat 2 Teams In Water Fights

By Mrs. Fred Bartlett, Lake Villa Correspondent

The Lake Villa Firemen water fighting team participated in the water fights held at Lake Zurich Sunday. After the third night of water fights the Lake Villa team won from Lake Zurich and Wauconda. The following are members of the team: Ervin Barnstable, Jr., Ralph Nader, Elmer Sheehan, Fred Teltz. William Petterson is also a member, but was unable to participate in the water fights because of recent illness.

Mr. and Mrs. Clarence Blumen-schein, Mrs. Ann Nelson and grandson, Kerry Rhoades, Mrs. Jake Fish and Mrs. Fred Bartlett, Sr., spent Tuesday visiting Mr. and Mrs. Lloyd Duffy at their home in Dixon, Ill.

Mr. and Mrs. Ralph Abner of Lake Marie, Antioch, were visitors Saturday at the home of Mr. and Mrs. Fred Bartlett, Jr.

John Effinger underwent surgery at the Condell hospital in Libertyville Tuesday and is recovering nicely.

Mrs. Arney Armstrong and sons and Mrs. Minnie Bishop were Chicago visitors Thursday.

Bernie Ray Schneider flew here Saturday from California to spend vacation with Mr. and Mrs. Bernard Schneider.

Mrs. Anna Nader returned home after spending a few months with her son, Roy, and family at Charleston, S. C. Her son, Carl and family of Antioch drove down to bring her back.

The next regular Royal Neighbor meeting will be Tuesday, June 30, at 8 p. m. at the Village hall.

The VFW Auxiliary will hold its next regular meeting July 6, at 8 p. m. at the VFW home.

The VFW Auxiliary will sponsor a salad bar luncheon and card party at the VFW home on July 15. More details in this column at a later date.

Mrs. Arlene Schneider is well on the road to recovery after undergoing surgery at the St. Therese hospital last week.

Mr. and Mrs. Roy Sterling and family spent Sunday visiting friends in Chicago.

Mr. and Mrs. C. Carlson and son, Randy of Fox Lake were dinner guests Saturday at the home of Mr. and Mrs. Clarence Blumen-schein.

Mr. and Mrs. Hank Lytle of Orlando, Fla., are visiting Mrs. Lytle's parents, Mr. and Mrs. Robert McLelland.

Mr. and Mrs. Verdon Killough and family of Waukegan will occupy the Fred Bartlett apartment vacated by the Abner family.

Mrs. Jack Rhoades and Clarence Blumen-schein were honored at a dinner Sunday in observance of their birthdays, held at the Blumen-schein home. Also present were Mrs. Rhoades' husband, Jack, and son, Kerry, and Mrs. Ann Nelson.

Walter Schneider, Sr., and a few friends left Thursday for a vacation in Canada.

Mrs. Ervin Barnstable, Jr., and

sons, Jim and Tom, were flown to the boys' grandparents home, Mr. and Mrs. Peter Schatz at Marengo, Ill., Sunday. They landed in their grandparents' yard, had dinner and were flown back again by Clarence Hanson, owner of the plane, the occasion being the boys' birthdays.

Mr. and Mrs. Warren Gillmore and family of Union Grove, Wis., Mr. and Mrs. Clarence Ganshart and family of Rockford, Ill., and Mr. and Mrs. William Peterson and son of Waukegan were visitors Sunday at the home of Mr. and Mrs. Joseph Botts.

Mrs. Barbara York and children of San Diego, Cal., were visitors Monday at the Joseph Botts home on Grand Ave.

'Come Back Little Sheba' Opens At Tenthouse Theatre

Lillian Roth, starring in William Inge's dramatic "Come Back Little Sheba," follows Joe E. Brown in "Harvey" into Highland Park's Tenthouse Theatre. "Harvey" closes on Sunday, June 28, and "Come Back Little Sheba" opens a one-week run on the next day, June 29.

When Joe E. Brown completes his performance in "Harvey" he will have played the role of Elwood P. Dowd at total of 1,568 times, includ-

ing 43 weeks in Chicago in 1946-47.

"Come Back Little Sheba" was first presented on Broadway in February of 1950. The drama was about a reformed alcoholic and the wife who mourns the loss of her dog was the first play by Inge produced in New York. Inge was voted the most promising playwright of the 1950 season.

This vote of confidence was fulfilled with other successful Inge plays including "Bus Stop" and "Dark at the Top of the Stairs."

Bernice K. Soladay, Notary Public.

(SEAL) My commission expires August 3, 1959.

3 Salem HS Boys Get Honors At Future Farmer Convention

Three Salem Central High School youths have been given high recognition at the annual FA convention at Green Lake in early June.

They are Reynold Davis, Rt. 2, Union Grove; Gary Doerflinger, Rt. 3, Kenosha, and Richard Schlager, Rt. 2, Union Grove.

The recognition is granted to the upper 2 per cent of students in Smith-Hughes high school agriculture classes. It is based on proficiency in classroom achievements, academic work and farming programs carried out on the student's home farm.

DAVIS WORKED with a herd of purebred Guernseys. Included in his herd management practices was a herd testing program. He started a fertilizing program to maintain and improve the fertility on the home farm.

Davis also was president of his chapter, was selected to receive the Burlington Standard-Press public relations awards and was elected as a Badger Boys State delegate. He was captain of the basketball squad and a member of the baseball team.

In addition to the offices held in his chapter, he has had membership on many committees. Farm improvement practices include soil testing, livestock exhibiting and orchard management.

DOERFLINGER OWNS nine head of purebred and high grade polled Hereford beef breeding stock and markets several steers annually from his farming program. He has an excellent feed inventory used to produce this beef herd.

An FFA member for four years, he served as chapter vice-president the past two years and was active in 4-H club work. He also holds a junior membership in the American Hereford Assn. He played on the high school football and baseball teams.

In addition to the offices held in his chapter, he has had membership on many committees. Farm improvement practices include soil testing, orchard management, poultry culling, livestock exhibiting, farm record keeping and farm building improvement.

SCHLAGER EMPHASIZED purebred Hampshire hogs in his agricultural activities during high school. A purebred gilt he received from the Central High School FFA cooperative gilt program started him on his way.

His swine herd has been increased to include eight purebred sows in addition to other breed stock and market pigs produced from his original start.

He has been chapter sentinel for two years, junior member of the Hampshire Swine Assn. and a 4-H club member. Farm improvement practices include farm record keeping, repair and maintenance of buildings, swine management, livestock exhibiting, poultry culling, soil testing, and orchard management.

Glenn Clausen, Rt. 1, Kenosha, and Marvin Myers, Rt. 2, Union Grove, were the delegates from the chapter at the convention. Vaughn Sorenson serves as adviser to the local association.

Christmas Tree Shearing Demo To Be Held Fri.

Lake County Christmas tree growers have not begun to meet the local and state-wide demand for high-quality trees, says Ray T. Nicholas, farm adviser. You can make Christmas tree-growing more profitable by shearing them at the right time, he says.

A special tree-shearing demonstration will be held on the Joseph Hellstern farm located on Loon Lake Road about two blocks east of Rt. 21 and 83, on Friday, June 26, at 10 a.m. Nicholas has arranged for this meeting as a result of requests from local farm people.

NICHOLAS HAS invited L. B. Culver, extension forester, University of Illinois College of Agriculture, to assist with the demonstration. Culver will show the important facts to consider to grow and care for the various kinds of Christmas-tree species adaptable to local soils.

Examples of types of trees requiring shearing will be shown. Ways to use tools commonly found on farms and in homes will be shown. Visitors will have a chance to improve their shearing ability so that they can do their own shearing at home.

Land owners and others interested in using idle, eroded and small-sized areas for Christmas tree production are also especially invited for the question and answer period following the shearing part of the program, Nicholas adds.

Pfc Heath Arrives In Germany

Army PFC Edward D. Heath, 18, son of Mr. and Mrs. Verne E. Heath,

Route 3, Antioch, recently arrived in Germany and is now a member of the 24th Infantry Division.

Assigned to Company D in the division's 21st Infantry, Heath en-

tered the Army last September and completed basic training at Fort Hood, Texas.

He attended Antioch Township High School.

'Chilly' Bowen Resigns As UI Alumni Head

C. E. "Chilly" Bowen ends 32 years association with University of Illinois on Jan. 1, 1960, when he resigns as executive director of the Alumni Association. He may continue to serve on a part-time basis.

A native of Delphi, Ind., Bowen was graduated from U. of I. in Commerce in 1922. He worked for the family bank in Delphi for five years before returning to campus in 1927, as ticket manager of the Athletic Association. He became assistant business manager in 1929 and a year later was named business manager and ticket manager.

In 1942 he was appointed the first executive director in a reorganization of the Alumni Association.

Will Purchase Lot

A fund of \$590 is now on hand for a new building lot for Fox Lake Baptist Church, reports the Rev. Roger Bergeson, pastor. The amount completes the needed purchase costs.

Jewel Tea Begins Use Of St. Lawrence Seaway Route

The first shipment of green coffee beans to arrive in the Port of Chicago directly from South America via the St. Lawrence Seaway was unloaded last week.

Consigned to the Jewel Tea Co., the beans were purchased in the highlands of interior Colombia, shipped by rail to Barranquilla and loaded aboard Grace Lines Steamship Santa Regina May 20. Arriving at the Port of Chicago 14 days later, the ship traveled the Caribbean Sea and Atlantic Ocean to the mouth of the St. Lawrence River, through the seaway with stops at Montreal, Toronto and several U. S. ports.

THE CONSIGNMENT was loaded on Jewel trucks at the docks and sent out to the company's Barrington plant 35 miles northwest of Chicago's loop. Here Jewell roasts nearly 30,000,000 pounds of green coffee beans annually. All green coffee beans used by the company in Barrington are imported from Central, South America and other coffee producing areas.

The shipment marks a new era for Middle Western coffee roasters. With the expanded St. Lawrence Seaway making the Port of Chicago

Troop 92 Sets Paper Pickup Sat.

Scouts of troop 92 will hold their monthly paper drive on Saturday and residents of Antioch should have their paper and magazines on the curbs by 9:30 a. m. Persons in outlying areas should call Antioch 886-M or 641-J to arrange pickup or paper can be brought to the scout house.

The troop took a trailer-load of paper to Waukegan last week and made a good profit, according to William Elsey, troop scribe.

The Indian dance team from the troop gave dance demonstrations for the cubs and parents of pack 80 of Grass Lake last Saturday.

The troop also held a board of review last week and gave awards to the boys who passed the board, Elsey reports.

available to 90 per cent of the world's ocean-going vessels, green coffee no longer need be moved through Eastern seaboard or Gulf ports and then by rail or highway to reach the Great Lakes region.

Send Out Gas Heating Permits

Northern Illinois Gas Co. began mailing heating permits on June 24 to approximately 65,000 residential applicants who were on the utility's waiting list on May 31.

According to H. A. Diekmann, NI-Gas' vice president in charge of sales, these applicants will have one year to install heating equipment.

At the same time Diekmann said that the Illinois Commerce Commission had approved the company's plan to modify its space heat restriction order.

The changes will permit NI-Gas to make gas available on a limited basis for heating multi-unit dwellings, schools, churches, municipal buildings, plus commercial and industrial establishments. Natural gas for heating has not been made available to these customers since the restriction order went into effect in 1946.

Diekmann said the company was finalizing plans to administer this phase of the modified restriction order.

Child Over 18 Can Get SS Benefits

Even though a child is over 18 years of age, he or she may be entitled to benefits as a disabled child, according to Bernard Barnett, district manager of the Waukegan social security office. A child's benefit under the old-age and survivors insurance program is usually terminated by the attainment of age 18.

Barnett offered the explanation that a disabled child may receive child's insurance benefits regardless of age if certain conditions are met.

TO RECEIVE monthly benefits as a disabled child, it would be necessary that the parent upon whose wage record the claim would be based, have an insured status under the social security law. The child's disability must have occurred prior to the time the child had reached age 18, according to the local office.

The disability must be of such severity as to prevent the child from engaging in gainful activity, have lasted for six months or more and be medically determinable. This physical or mental condition must be of an indefinite or long-term duration. The child must be unmarried at the time of application, and be the child of a person currently receiving social security old-age insurance benefits or of a parent who died after 1939 insured under the law.

Barnett suggests that contact be made at the local social security office for further information or for help in filing a claim by or on behalf of a disabled child.

County 4-H Festival Slated for Monday

The Annual Lake County 4-H Share-the-Fun Festival will be held at the Warren Township High School, Monday night, June 29 starting at 7:30 p. m.

Lake County 4-H Club talent will be featured in vocal, instrumental, dance and stunt numbers, state farm and home advisers Ray T. Nicholas and Helen Volk. The County 4-H Public Speaking contest will also be held in connection with the talent show. The top boy and girl in the county speaking contest will represent Lake County in the state contest at Springfield in August during the State Fair.

The judges will rate all of the numbers in the Share-the-Fun Festival and select one act to represent Lake County in the State Festival also to be held during the State Fair at Springfield.

More than 200 Lake County boys and girls will be entered in the County Festival program next Monday night.

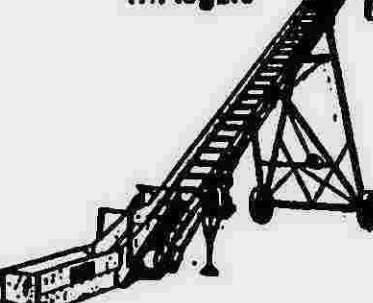

The "hog-butcher of the world" is also known, to its citizens, as "The Garden City." Chicago set up park commissions in 1869 to plan the city's 166 parks.
